PCA NEWS

Friday 14th September 2018

It is with great pleasure that I can report how well the children have settled into their new class and new routines.

The children are working hard and applying themselves well in their new year groups, even though their work has become even more challenging. The behaviour around school has been excellent with lots of children earning dojos and rewards already.

Many of our children have so far achieved 100% attendance and punctuality which we hope they can maintain throughout the coming months. They have learnt new rules and routines quickly and have been demonstrating our new school values. This is really impressive! It is a pleasure to walk around the school building and see children so engaged in their work and activities.

Well done to all the children for such a positive start to the academic year, and to their parents/carers for already establishing good school routines to help them settle so quickly.

Well done!

Would a sandwich with a bite out of it be good enough for your child?

Holidays in Term Time take a 'bite' out of their education and leave them with lower chances of achievement and progress.

Make sure your child gets the full package — with no bits missing. In school, Every Lesson, Every Day!

ATTENDANCE

Well done to all the children who have so far had 100% attendance and have started the academic year with a perfect record!

We hope that you can keep it up as long as possible to help us improve attendance in the school.

HOLIDAYS IN TERM TIME

Please note that holidays in term time are not permitted and we actively issue penalty notices. These fines are paid to the local authority.

'Terrific' Time Keepers

The winners this week are REC, 1KO, 1AV, 4CW, 4CT, 5AF and 6LP.

What an achievement! Well Done!

A REMINDER TO PARENTS

UNIFORM

A quick reminder that children are not allowed to wear earrings in school or large hair accessories. Long hair should be tied up and there should be no make-up or nail varnish.

Trainers are not permitted. Thank you.

BENEFITS ADVICE DROP IN

You can get Benefits Advice by speaking to Jean at the clinic in the Community Café between 1pm and 3pm on Tuesdays.

Notices

Y6 Crucial Crew Trip

Year 6 had a fabulous afternoon at Crucial Crew on Wednesday afternoon.

They visited several workshops ran by various agencies within the community including some of the emergency services.

They learnt about...

- The dangers and effects of alcohol on the body
- How to stay safe on public transport
- Anti-social behaviour
- How to stay safe near railways
- Road safety
- How to give initial First-Aid

It was a really fun, informative afternoon and the children loved "CRUCIAL CREWING!"

Y5 PARENTS—ROBINWOOD TRIP

17th—19th October '18

Final payments for all those attending should now have been paid. Please note we are not accepting any more payments. A suggested clothing list and final details will follow shortly.

Be a School Governor

Parent Governor Vacancy

Our Local Governing Body needs you!

If you are interested in becoming a Parent Governor please call into the school for further information.

SCHOOL PHOTOS

Unfortunately I have been informed that due to some technical problems we are sadly going to have to re-take a large portion of the photo's taken on Tuesday this week. We have re-scheduled the shoot for 9.00am onwards on 19th September.

Those affected are the sibling groups as well as Nursery PM, Reception, Year 1, 2HW, 3SI & 6CB.

Can we ask parents to make sure children are in full school uniform and no jewellery are worn.

HOME READING

Regular reading has the biggest impact on children's learning. Research shows that it extends vocabulary which in turn can improve achievement in all curriculum subjects, not just English! With this in mind, it is important that children read every night after school.

This only needs to be for approx. 10-15 minutes but has huge benefits.

Please can parents/carers sign their child's reading record at least 3 times a week to demonstrate that this is being done.

Many Thanks.

PARENT FORUM

On Wednesday 26th September we would like to invite parents to school for our first Parent Forum.

Parents will be invited to visit their child's class to find out more about the school, our expectations and the curriculum that we follow.

Teachers in each year group will deliver a presentation to parents and it will be a chance to get to know who is teaching your children.

You can also meet with members of the Senior Leadership Team who will be available to answer any of your questions and queries.

More details to follow.

END OF THE DAY

As you will be aware, the end of the school day is extremely busy at PCA. Please help us to keep your children safe as they leave school by closely supervising them and by vacating the school car park as soon as possible. This helps us see which children still need to be collected.

Can we also ask that bicycles and scooters are not ridden in the car park as we have lots of young children being collected.

Thank you.
