Headteacher Message

Over the coming weeks we have a number of events that are being organised by our parent council. Please look out for information on the school newsletter, website and via the parent council members, for details of how you can help to support their events. Our parent council have been a fantastic addition to the school and they are working extremely hard to support charitable causes, develop various campaigns and plan fundraising activities and learning opportunities for the children. As a school, we are extremely fortunate to have such dedicated parents who are actively involved in school life. I know they appreciate your help, support and positivity around the work they are doing which directly benefits the children in the school. If you wish to join the parent council please talk to our admin team at the main school office.

Anita Edwards
Executive Headteacher

On behalf of everyone at Partington Central Academy I would like to thank all the members of the parent council for their commitment to the children and their active involvement with the school. Thank you!

Children in Need

The KS2 children showcased their talents this week as part of our celebrations to support Children In Need. Well done to everyone involved and thank you for your contributions. See next weeks newsletter for photos or visit our website.

Remembrance Day

A stunning piece of art work has been created by pupils as a centre piece for our memorial service to mark 100 years since the end of WW1. The children also created a range of poppy art, WW1 artwork, learnt a remembrance song and have written poems of remembrance.

Thank you to Rev. Knight and St. Mary's Church for delivering a thoughtful remembrance service as part of our tribute to this period in history and the many soldiers that lost their lives. The service included readings and songs from the children, and the thoughts and reflections of Rev. Knight around remembrance, poppies and the use of the bible by soldiers in the trenches in WW1. It concluded with a roll call of soldiers from Partington who lost their lives in WW1 and WW2. The children conducted themselves impeccably and demonstrated their respect throughout the service. Thank you to Mrs Barrett for organising the event and coordinating the remembrance artwork.
