PCA NEWS

Friday 21st September 2018

We have recently been contacted by a number of concerned residents (and one of our local councillors) regarding a growing number of incidents and 'near misses' on the surrounding roads involving children on bikes. This has included children pulling wheelies in front of cars, pulling straight out into the road and riding 4 or 5 abreast and blocking the traffic.

We have also had reports of children - on foot - running out into the roads without looking and not crossing the road safely. We are really

concerned that it is just a matter of time before one of our pupils is going to be seriously injured. We have spoken to the children about road safety in assembly today and will promote further messages in our impending road safety week. Road Safety week will take place in school during the week beginning 8th October and will include the 'Slow Down For Bobby' assembly. As part of this effort to keep our children safe, we ask that parents park appropriately outside the school gates and make sure they are not on the double yellow lines or blocking the traffic.

Please may we ask all parents to speak to their children this weekend and reinforce how important it is to cycle safely and cross the roads with care. We would be devastated if one of our pupils was involved in a road accident that could have been avoided. Thank you for your help with this important message to keep our children safe in the community.

Year 5 Robinwood Trip Wednesday 17th October — Friday 19th October 2018

Children will come to school as normal on the Wednesday morning in their own clothes ready for Robinwood (i.e not in their best clothes).

They need to bring their suitcases/bags to the Year 5 classroom when they arrive at 8.45 a.m. We will be leaving school at 9.30 a.m.

The children may not bring any mobile phones, iPads or any other electrical items to Robinwood.

The children may bring a maximum of £2 spending money that they are able to spend at the tuck shop. Please can we ask you not to send any food or drink with the children as this will be confiscated by Robinwood staff.

If children require medication whilst they are there, please see the office or class teachers so the forms can be filled in. We will not administer any medication without these forms being completed. These need to be completed by Friday 12th October.

If your child has asthma you need to provide an inhaler from home, if your child does not have their inhaler with them we will not take them on the trip, as they need to have it with them 24/7 whilst they are there.

Children do not need to bring a packed lunch with them as this is provided by Robinwood.

We should be arriving back at PCA on Friday 19th October at approx 2.30—3:15 p.m.
