## Headteacher Message

It has been an eventful half term and already the Easter holidays are upon us! You should now have received the termly pupil report for your child. Please contact us if you haven't received yours and we will print you an additional copy. If you have any questions about your child's progress then please do not hesitate to contact your child's teacher. If you are unsure of the information on the report, and you were unable to make the parent meeting this week that explained the contents of the report, then please contact Mrs Higginson and she'll talk you through it. These reports provide crucial information about the progress your child is making and are sent out at the end of each term to keep you updated. In addition, a parent's evening will be held towards the end of the school year to share additional information and review the progress over the full academic year. As we move into the summer term, children at the end of key stages will be taking the statutory SATs tests. These are for Y2 and Y6 children. In addition, children in Year 1 take part in the national phonics screening checks. Information on the outcomes from these assessments will also be provided to parents at the end of the year.

Attendance at our annual Easter bingo event was fantastic! Thank you to the parent council for organising such an amazing and successful event. It was lovely to see this supported so well by our families. Thank you to all our parents for their support over the spring term and we look forward to returning on Monday 15<sup>th</sup> April.

## Year 2 Mini Great Fire of London!

Some of our Tudor houses were chosen to be set on fire to re-enact our very own Great Fire of PCA! Some of the remaining Tudor houses will be added onto our Design Technology display.

We saw how quickly the fire spread with the help of the wind. It also helped that the houses were close together. We were able to think about how the people of London would have felt in 1666.

**Please do not try this at home!**

Finally a big thank you to Frank who set up the display and supervised.

## Terrific Time Keepers

The winners this week are REB, REC, IKO, 1AV, 2SJ, 3GC, 3SI, 4CT, 5LA & 6CB!

**What an achievement! Well Done!**

**A great time was had by all and we managed to raise **£556.46!** Amazing! Thank you!**

### A REMINDER TO PARENTS

Can we ask all Parents to please keep an eye on their ParentPay accounts and make payments on a regular basis where required. Letters have been sent home with your child if this affects you. It is very easy for the debts to build up.

**Why not visit our new website for more information and news at: [partingtoncentralacademy.co.uk](http://partingtoncentralacademy.co.uk)**

### Celebration Assembly

When the children return after their break, we will be celebrating all the great attendance and punctuality at Partington Central Academy. An amazing 340 students have never been late to school in the Spring term and will be rewarded with punctuality certificates. Likewise there will be certificates for attendance over 97%, the school's target. These children will also be entered into the 'Family Fun Day' prize draw. This is the fifth time that we will be giving away a day out for the whole family at one of many local attractions. 117 students will be awarded the new 'Silver Award' attendance badge and certificate for two terms of perfect attendance – a great achievement they should be proud of. 140 students will be awarded with the 'Bronze Award' for perfect attendance in the Spring term. All in all, a great achievement by so many students last term to be in school and learning every day. Well done and keep up your positive efforts.

**Thursday 18<sup>th</sup> April - 10.45am & 2.15pm Both Nursery and Reception children will be participating in our Easter Bonnet Parade and Assemblies.**

At this event the children will show the Easter Bonnets that they have made, they will sing some Easter songs and recite some nursery rhymes. We will also show some of the amazing work that the children have done this term through a PowerPoint presentation. In preparation for this, we would love you to help your child create an Easter Bonnet during the upcoming 2 week holiday and bring these wonderful creations into school by **Wednesday 17<sup>th</sup> April.**

We do hope that you can join us at this event.
