## Headteacher Message

We hope you all enjoyed the extended weekend and Easter celebrations last week. It was an extra bonus to have such unseasonably warm weather!

This time of year is a crucial period of learning for our children. It marks the final few months for the pupils to achieve the curriculum objectives for their current school year. It is also a period in the school calendar when there are lots of events taking place. This helps us celebrate successes and showcases the achievements of our pupils. There will be many opportunities for parents to join us and see how well the pupils are performing. Next week we will be sending out the summer events list so you can prepare to join us when you can. One key date for your diary is our Dean Trust summer fair that is held at Broadoak School. This is an example of our partnership across the primary/secondary schools and presents the perfect opportunity for you to get to know the school and staff in an informal setting. It's a great opportunity for a little fun in the sun (hopefully!) and takes place on **Saturday 13<sup>th</sup> July**. We hope you can join us! Thank you for your continued support.

The **'Family Fun Day' Prize Draw** is now an established highlight of the school's calendar and is celebrating its second year. All students who achieve 97% or greater attendance are entered into a termly draw.

The lucky winner can choose a day out at a local attraction for themselves and their family as a prize. Chester Zoo and the Blue Planet Aquarium have proven to be popular choices so far. Others have opted for 'Lego' World and attractions closer to the Trafford Centre.

This term's lucky winner was **Phoebe Morrell, from Year 3**. Her parents and brothers and sisters were delighted on hearing the news of the win. All the family are carefully considering the venue for their fantastic day out, which they will enjoy later this year. Miss Ifon, Phoebe's class teacher said, "Phoebe is a very deserving winner who has great school attendance. I'm sure her family will have a super day out and enjoy this fantastic opportunity". She continued, "Great school attendance is without doubt the best choice and the range of rewards and prizes we give just shows how much we value our students' efforts to attend school and learn".

**The Family Fun Day draw will return at the end of the Summer Term.**

## Terrific Time Keepers

The winners this week are REC, 1SN, IKT, 2HW, 2SJ, 3GC, 3SI, 4CW & 4CT!  
What an achievement! Well Done!

## Early Years celebrate Easter...

On Thursday 18<sup>th</sup> April, Nursery and Reception proudly showed off their Easter Bonnets in our Easter Parade. It was a wonderful, colourful and joyful event and all the children participated in our Easter songs superbly.

During the week the children in the Early Years learnt about the Easter Story and Easter Traditions and participated in lots of Easter themed arts and crafts.

### Y6 BIKEABILITY

Year 6 children will be taking part again in Bikeability (a cycling proficiency scheme) from **Monday 3<sup>rd</sup> June 2019 to Thursday 6<sup>th</sup> June 2019.**

This scheme teaches your child to ride a bike safely on the roads in accordance with the Highway Code.

Please note that participation within this scheme is dependent upon the children's behaviour. Children receiving regular warnings about their behaviour and consistent red warnings will not be permitted to take part, due to the nature of the scheme.

We need to be assured that they will behave respectfully in public, safely on the roads and listen to the qualified instructors.

A reminder will be sent out nearer the time. For now can you please ensure that you have completed the form and return it to school as soon as possible, so that we can make the necessary arrangements.

Thank you.

## Main Reception

Please can we ask for your support in ensuring that our pupils are organised and fully equipped for the day.

The number of parents visiting our reception to leave PE Kits, lunches, snacks and books that have been left at home is increasing again!

By supporting pupils to pack their bags the night before and revisiting them in the morning to add any healthy snacks, lunch and/or drinks, they will learn to become more independent and it will remove the need for parents to leave their already busy schedules to drop things off at school.

Thank you.
