Headteacher Message

Wow, what a performance!

This week our Y6 and Y2 children have been completing their SATs tests. It has been a delight to see how calm and composed they have been throughout the process. It can be an anxious time for the children but luckily we have not seen any nerves this week and they have applied themselves really well. It has been good to see how well prepared they are and how they've risen to the challenge. Luckily for Year 6 their SATs are now complete! Year 2 will continue theirs and these will be concluded next week. The Year 6 children also received a visit from Mr Kapur (CEO) and Mr Devlin (Chair of Governors) to wish them well. Myself and the staff are extremely proud of all their efforts.

Well done, Year 6 and Year 2!

During Y3's second lesson, pupils had to walk around, instigating a rhythm using only their mouthpieces. Next, they learnt how to play the C and D notes. They also spent some time warming their voices up by singing. "We had to put our fingers in the correct positions, it was tricky" shared Lauren. "The C note was much easier to learn the finger position for than the D which was harder to remember." Taiah-Mai

What Ofsted said about Partington Central Academy....

"Leaders, governors and trust leaders have successfully established a culture of high expectations and ambition for pupils. Everyone works together to achieve the school's mission statement 'Believe, Achieve, Succeed'"

"Pupils benefit from teaching that is consistently good across the school"

"Leaders have established a number of important initiatives for keeping parents and carers involved in and informed about their children's education"

"The highly committed executive headteacher shares with the head of school a determination to raise standards for pupils"

"Leaders and governors have established a curriculum that prepares pupils well for life modern Britain"

"Children in early years make a strong start to their education"

"Pupils have good attitudes to learning because of the good relationships that they have with teachers"

"Pupils conduct themselves well around school and in classrooms because they want to meet their teachers' high expectations for their behaviour"

"Leaders have ensured there is a strong culture of safeguarding in school"

"Pupils currently in school continue to make strong progress in reading"

Year 2 made the most of the nice weather this week and did their Science lesson outside. We learned about what happens to our body when we exercise. We started to sweat, our hearts started to beat faster and our breathing started to get quicker. Some of the exercises we did were; push ups, sits up, star jumps and squats. Good job Year 2!

A REMINDER TO PARENTS

Year 6 Revision on a Tuesday after-school is now finished. Thank you!

POSITIVE THINKING COURSE

If you want to attend this course this is the final reminder for you to call into school on **Monday 20th May at 9.30am** to book your place.

Trafford Junior Neighbourhood Watch

Over the last four weeks, 5AF have been participating in a project with the Trafford Junior Neighbourhood Watch. They have concentrated on e-safety, particularly cyber-bullying and safety on social media platforms. After two intensive weeks of information gathering, they have produced some amazing artwork that will be displayed around school and shared with other schools in Trafford.
