## Headteacher Message

This week it has been National School Sports week and we have been promoting health, active lifestyles and well-being through our annual sporting events. Our children have been participating in their sports days and we would like to thank all our parents for coming to support them in their activities. Thank you to the staff for planning and organising the events. In addition, some of KS2 children also took part in The Dean Trust Active Challenge. This fun run is now in its third year and involves all the trust schools – both primary and secondary. Our children performed excellently and represented us exceptionally well. They are always a credit to the school and their families when they attend trips and competitions and this week was no exception.

Anita Edwards  
Executive Headteacher

We are also proud to announce that a group of our children have attended a Graduation Ceremony at Old Trafford after completing a sports leadership course. The children attended training at the beginning of the year and then have spent their time promoting and implementing healthy lifestyle initiatives. They have organised and led six sessions of play activities to KS1 children during lunchtimes, delivered an assembly on healthy eating, assisted in the organisation of the school sports days, attended Fred The Red day and taught 12 children from six different primary schools across Trafford and designed healthy eating posters. They are now considering ways to implement the Daily Mile initiative. This has all been done in addition to keeping up with their daily lessons. It has been a long term commitment and I'm very proud they have graduated from the course. Well done! **Anita Edwards – Executive Headteacher**

## Sports Days at PCA!

### Early Years Sports Morning

On Monday 24<sup>th</sup> June, Nursery and Reception came together to participate in our Early Years Sports Morning. The children were placed in groups and took part in a selection of physical activities. The hula hoops, the sack races and the running races were some of the favourite activities that the children took part in and they all loved watching the parent and carers race!!

Thank you to all the teaching staff that took part in this event and to all the parents and carers that came along and supported the children. It was a thoroughly enjoyable morning and was an excellent example of home-school partnership!

It was then our Key Stage 1 & 2's turn on Wednesday.

All the children and staff got involved in the carousel of activities and really had a great 'team spirit'.

The atmosphere was electric. Thank you to DJ Danny who really got the children warmed up.

A special thank you must also go to all staff, our colleagues from Team Theme and United who helped out and to parents and carers for supporting their children.

### A reminder to parents

Can we please remind parents that we have a 'No Dog Policy' here at Partington Central Academy.

No dogs are permitted on the school premises and definitely are not allowed to be brought into the school.

Can we also remind parents that you are not permitted to park in the school car park please.

Thank you.

Congratulations to Kayden Czornyj, Darcy Fox and Grace Booth who were part of a group of our children who attended a Graduation Ceremony at Old Trafford after completing a sports leadership course.

Well done!
