Myrna Rollins

Community

Born in Manchester in 1983, Myrna has always lived in the Trafford area except for a period of just under 2 years from 2008-2010 when she lived in the beautiful North-East town of Italy called Padova.

Whilst teaching was an aspiration of Myrna's, education always has been. Whilst in Italy, she was a Teaching Assistant in the nursery at an English speaking international school and it was really from that point that she felt she could not leave the field of education.

Upon returning to the UK, she worked as a Learning Support Assistant and Note-taker for students with SEN, followed by her current role as a Senior Administrator at the University of Manchester Accommodation Office.

Whilst Myrna has no experience of being a Governor, she feels that her passion and desire regarding the education of younger children and the willingness to learn new skills will be the building blocks she needs to help her to be a successful and hopefully longstanding Governor for The Dean Trust.
