## Headteacher Message

Welcome back to all our children and families. We trust you all had a lovely summer holiday and feel ready for the school year ahead. We would also like to welcome all the new starters who have joined us for the first time. They have all settled quickly into school life and made new friends.

As the new academic year starts, please remember that any absences should be reported to the school at the start of every school day. Our Education Welfare Officer, Mr Wilmott, will follow up each absence so that our records are accurate and so we can support families through any difficult periods. It's important to remember that children with attendance levels of 95% or below are of concern and if children fall as low as 90% they are considered to be 'persistent absentees' according to government standards. May we also remind you that holidays in term time are not permitted and penalty notices are issued to all parents.

We have a packed term ahead! Keep your eyes peeled for the events list which will be sent out next week. If you need any school information then please don't hesitate to contact us or browse our school website. Thank you.

## School Trips

To enhance the school curriculum and enrich the children's learning experiences, we arrange various trips to places of interest during each school term. We also run many workshops which are organised to link with the topics studied by the children that term. These workshops are an alternative to school trips and cost a considerable amount to run. They are heavily subsidised by the school as they are important and are part of our curriculum.

We try to split between workshops and trips to help keep costs down.

Here are the workshops and trips we have booked so far for this academic year!

- Year 5 Anglo Saxon & Viking Trip – 6th September '19
- Year 3 History Workshop – 6th September '19
- Year 6 Crucial Crew – 12th September '19
- Year 5 Robinwood Trip – 30th October – 1st November '19
