

Year 1 Newsletter

Spring 2

February 2020

Welcome back to Year 1!

Welcome back, we hope you had a lovely holiday. We have another exciting and fun-packed half term ahead of us.

In English we will be starting our Talk for Writing unit of recounts. We will be writing a recount of our trip to Styal Mill.

In maths we will be continuing to develop our knowledge of numbers to 50. We will then move on to looking at measures including weight, height, length and volume.

In science the children will continue to look at different materials and their properties. They will be carrying out an experiment to find the best material to fix a broken umbrella.

In history our topic is houses and homes. We are really looking forward to our school trip on Monday. We will be visiting Styal Mill and finding out what it was like to live in the apprentice house there.

We are looking forward to sending home our new home reading book scheme. This will begin in the next few weeks. The books will be linked to the children's phonics groups and will be changed each Tuesday and Friday. **Please make sure the book has been read before it is changed otherwise the children will miss out on reading it.**

Things to remember

Please come and see a member of the team if you have any questions and concerns.

PE Kit to be brought in at the beginning of the half term and will be kept in school for the half term. PE is on **Tuesday** and **Thursday**.

PE kit: - red shorts, white t shirt and black pumps.

Spelling Test - **Friday**

Reading books -

Remember our target is 3 reads a week! Please bring book bags in daily, so your child can have their books changed. The books are changed on **Tuesday** and **Friday**.

Milk—If your child has milk the cost of this is 10p a day which can be paid daily or weekly.

Don't forget the doors open at 8.35am and will close at 8.45am promptly. Please make sure you arrive on time as children will miss their basic skills lessons if late.

Homework

Given out: Friday

Due in: The following Thursday
