Spring 2

February 2020

Welcome back to Year 3!

Welcome back to school. We hope you all had a restful break. Just a reminder the school doors open at 8:35am, with the children ready for a 8:45am start. Year 3 would especially love to be the attendance trophy holders, so see you bright and early!

In Geography we will be developing our map and atlas skills as well as learning about world famous rivers and where in the world we can locate them!

In Science we will be learning about humans including animals. We will be looking at what makes for a healthy balanced diet, the skeletal structure of humans and animals and the circulatory system.

In our DT lessons we will be researching and designing Egyptian jewellery which links to our spring topic of Ancient Egypt.

In English we are starting the half term off by learning about Non Chronological reports. We will learn all about the key features, structure, and purposes to the reader. We will also be studying classic performance poetry incorporating elements to our lessons.

In our Spanish lessons we are learning the names of different foods and our likes and dislikes.

Tests will commence 2/3/20. Please ensure your child is regularly reading their reading books, practising times tables and completing their spellings.
