

PE and Sport premium

2017-2018

What is the Primary PE & Sport Premium?

The government is providing additional funding of £150 million to improve provision of physical education and sport in primary schools. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in school. Each school receives £16000, plus £10 per pupil on roll; currently we have 316 children on roll in Year 1-6. At Partington Central Academy, we will receive **£19,160** for the year 2017-2018.

How is the Primary PE & Sport Premium spent at Partington Central Academy?

The Primary PE & Sport Premium action plan ensures that we not only spend, but we invest the additional funding to ensure the long-term impact of our PE and Sports provision. Outcomes are listed for each of the PE and Sport Premium Key Outcome Indicators. The funding is invested in various ways and the impact is closely monitored by gaining feedback from all stakeholders and assessment of children's skills using the OTrack monitoring system.

There is a need for some more equipment to be ordered which will be done later in the year and more coaching and CPD will be organised.

PE and Sport Premium Key Outcome Indicators (*Evidencing the Impact of Primary PE and Sport Premium, AfPE / YST, 2015*)

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport
