

# Our Local Area

# Year 4 Autumn

## Project

I can use a timeline within a specific time in history to set out the order things may have happened

I can use my mathematical knowledge to work out how long ago events would have happened

I can use various sources of evidence to answer questions

I can identify key features of a locality by using a map.

I can make accurate measurement of distances within 100Km.

I can confidently describe physical features in a locality.

I can explain why a locality has certain physical features.

I can confidently describe human features in a locality.

I can work out how long it would take to get to a given destination taking account of the mode of transport.

I can explain how a locality has changed over time with reference to physical features.

## PSHE

To ensure rules and routines are clear (achieved during transition. Revisit with those who were absent.)

To recall positive behaviour (achieved during transition. Revisit with those who were absent.)

To know how to keep healthy (hygiene) (achieved during transition. Revisit with those who were absent.)

To share and process summer/lockdown experiences

To recognise emotions, emotional triggers and to self-regulate

To rebuild positive relationships with adults, peers, self and community

To recognise and celebrate successes

To manage feelings of loss.

## PE

I can improvise freely, translating ideas from a stimulus into movement

I can create dance phrases that communicate ideas

I can share and create ideas with a partner

I can run at different speeds, changing direction

I can link running and jumping activities with some fluency, consistency and control

## Science

I can describe what dark is (the absence of light).

I can explain that light is needed in order to see.

I can explain that light is reflected from a surface.

I can explain and demonstrate how a shadow is formed.

I can explore shadow size and explain.

## Science

I can describe what dark is (the absence of light).  
I can explain that light is needed in order to see.  
I can explain that light is reflected from a surface.  
I can explain and demonstrate how a shadow is formed.  
I can explore shadow size and explain.

## PE

I can swim competently, confidently and proficiently over a distance of at least 25 metres  
I can use a range of strokes effectively  
I can perform safe self-rescue in different water-based situations
