Headteacher Message

It was lovely to see all the children in their fantastic costumes for World Book Day last week. It certainly was a vibrant, fun day and a great way to mark their first week back at school! Thank you to all the families for taking part and being so creative with the costumes.

This week we enjoyed Red Nose Day and all the donations made to school will be sent to the Comic Relief charity.

We are currently developing an enrichment programme so that we can offer some more clubs after the Easter holidays. We will send out information to each year group before we finish and places will be offered on a first come, first served basis.

Please note that these clubs will still maintain the 'bubble' structure so can only be offered to one year group each. These clubs will run for 6 weeks and we will try to make sure that at least one club is offered to each year group so that every child has the opportunity to attend. We will update you once the full programme has been decided and send out the information via Ping to book places.

Many Thanks

Year 6 took part in a World Book day competition.

The aim was to turn a wooden spoon into a book character of their choice.

The children carefully planned their designs and thought about which materials to use beforehand.

They looked absolutely amazing and the children worked really hard on them.

The children voted for the most creative designs.

The overall winner was Felix Caswell in 6CB. Followed by 5 runners up: Faith Smith (6CB) Madison Stevens (6CB) Harry Pickering (6LP) Jessica Oddy (6LP) and Hayden Fray (6LP)

Well done to you all.

Terrific Time Keepers

The winners this week are REC, RKK, 1EN, 2HW, 3SI and 4CW.
