## Headteacher Message

We have been busy extending our enrichment programme to enhance and extend our curriculum offer. This year has been a challenge for all children and we felt that they had missed out on many activities they would normally be part of.

With this in mind we have extended our enrichment programme and another selection of after school enrichment clubs will be offered after half term. We have also booked a number of visitors to school so that children can take part in workshops and activities linked to their topics.

Each year group will be offered one of these activities before the summer. A copy of our provisional events list has been sent out this week via SchoolPing so you can see everything on offer over the coming weeks. We also hope to have some transition events involving parents once the Covid restrictions lift and we can have people back into the school building.

We will also continue to offer breakfast club and after school club.

Please contact the school office if you need to book a place.

Thank you

Miss Edwards

## Terrific Time Keepers

It is really disappointing to report that we have no class without late marks this week. It is very important that all children are in school by 8:45am.
