Headteacher Message

As we approach the end of term, the current enrichment clubs will come to a close next week and a new selection of activities will start after the half term break. Details of the new clubs have been sent out this week via School Ping. We will also be starting a partnership with Man Utd who will be working with some selected groups of children for a 6 week programme called United Minds. We have lots of visitors and events planned through the summer term so please check the school events list to see what's on offer.

It has been a busy half term with children working extremely hard to catch up on their learning. I would like to thank the pupils for taking part in their lessons so enthusiastically. We have been very proud of the way they have applied themselves to their work and the progress they have made. In particular, Y1 children have produced some exceptional pieces of writing and it is amazing to see how far they have progressed since September. They are a credit to their teachers and the school. Well done, Year 1.

Headteacher

Year 4 have been enjoying making masks for their Maya topic using Modroc. A little water, dust and balloons never hurt anyone! Stay tuned to see their efforts come to fruition over the next couple of weeks!

Next week's workshop

Year 4's Ancient Maya
Workshop
Thursday 27th May

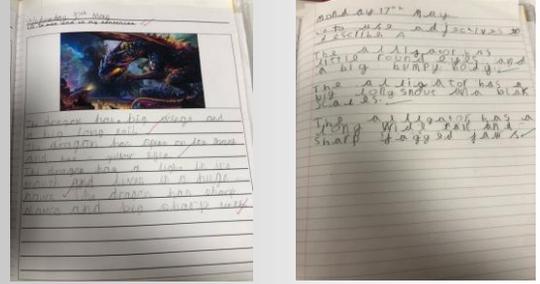

If you haven't already,
please pay for this
workshop on Parent Pay!
Look out for their exciting
workshop pictures in next
week's news letter.

This week the children in Mrs Caswell's class have been reading the story 'The Singing Mermaid' by Julia Donaldson. The children have listened and discussed the story; sequenced pictures from the book; labelled characters from the story; and written a sentence about the mermaid. The children have also designed their own mermaids.

Y1 Writing

This week we have been amazed at the quality of writing from our Y1 children. They have made incredible progress despite the disruption to their learning because of the lockdowns. We have been so impressed by the way they are improving and how far they've come since September. Well done to all our Y1 children. We are so proud of you!

Be a School Governor

We are looking for one of our parents to join our **Partington Learning partnership Local Governing Body**. If you are interested in becoming a **parent governor**, can you please email the school office for further details.

Reception

Gardening Club

Gardening club have been really busy over the last few weeks. They have cleared an area in the EYFS garden and creative their own garden that they are really proud of. The gardening club have planted potatoes, lettuces, sunflower seeds and strawberry plants. They have also made 'Samy the scarecrow' who will make sure the birds don't eat any of the seeds that have been planted. Well done Gardening club!

Hair Cuts and Head Lice

We have had a few reports of head lice. Please check your children's hair regularly and if you discover lice or eggs, please treat straight away. All bedding and towels should also be washed. Please remember no extreme hair cuts are permitted. Children should not have any shaved lines in their hair. Hair should be no shorter than a number 3 and long hair should be tied back.

Attendance Week Ending 21.05.2021

R	96.26%
