18<sup>th</sup> June 2021

## Headteacher Message

As you will be aware, the government announcement this week means that the full relaxation of Covid regulations will no longer take place on the 21<sup>st</sup> June and restrictions have now been extended for a further 4 weeks. Unfortunately this impacts on some of the events we had hoped to invite parents to at the end of term. However, we will be trying our upmost to make sure that all the children still get to experience these events as they usually would.

With measures still in place, the health and safety of our school community remains our highest priority. We will be continuing to implement our Covid risk assessment and the related protocols in school. Please notify us as soon as possible if your child has symptoms, has been in contact with a positive case or has tested positive themselves. Please remember to follow all the government guidelines for mixing with others so that we can keep infections to a minimum in our community. Thank you for your help and support with the continuing pandemic.

Anita Edwards

Headteacher

## Hope Centre Partington

As many of you will be aware the Hope Centre in Partington has been supporting local residents throughout the pandemic as part of the Hideaway. This project has evolved over time and thanks to the incredible partnerships that have been formed we are now in a position to be able to launch the Hope Centre as a long term community hub at the heart of Partington on Wood Lane. We are officially launching our new site on 25<sup>th</sup> June and would love you to join us, along with anyone else that may like to visit.

The **Year 6** children have been enjoying the afterschool Archery club. They are practicing using the bow to shoot the arrows.

**Year 1** had a fantastic morning taking part in their Florence Nightingale history workshop. They got to meet the lady herself and find out all about why we remember her and the impact she has had on us today. The children were enthralled throughout the entire workshop and loved joining in with some of the tasks Florence Nightingale used to do.

**School is closed to pupils for an inset day Friday 25th June!**

Year 2HW had great fun in our P.E. lesson this week using the parachute. We had to work together as a team and enjoyed playing a variety of games.

## Terrific Time Keepers

This weeks winning classes are **1EN and 2HW !**  
Well done to all pupils in both classes for your fabulous punctuality this week.

Dates for your diary

**Friday 25<sup>th</sup> June 2021**

School closed to pupils – **Inset Day**

**Monday 28<sup>th</sup> June 2021**

Individual school photographs

**Wednesday 30<sup>th</sup> June 2021**

KS1 and KS2 Sports Day

On 17<sup>th</sup> June Lydia from Zoolab brought in an African slug, a python, 2 rats (Gus and Nugget), a tarantula, an Australian tree frog and a millipede. We had the opportunity to touch most of the creatures and ask questions relating to our Science topic which is Life Cycles.

We learnt some interesting facts. Did you know that a millipede does not have a thousand or a million legs? It has only 250! The children were very brave and conquered their fear of snakes and creepy-crawlies! **The majority of 5GC were wanting their parents/carers to adopt a rat for them whereas most of 5AF wanted snakes!**

Attendance Week Ending 18.06.2021	
R	93.64%
Year 1	94.52%
Year 2	92.27%
Year 3	95.73%
Year 4	95.75%
Year 5	91.67%
Year 6	90.13%
Whole School (weekly)	93.35%
Whole School (Sept to date)	93.96%
<b>Target 97%</b>	

Our Year 6's will be getting a treat for finishing their 'SATS' on Thursday 24<sup>th</sup> June. They will also have an extra PE session outside on the field. Please ensure all Year 6 pupils are in their PE kits on this day.

Unfortunately the weather isn't looking great for next week so please remember to bring a light jacket/coat in case of rain.

**3SI & 3SJ** have become journalists in their English lessons. Key witnesses to some unusual events that happened Tuesday 1<sup>st</sup> June visited our classrooms today (17.6.21)

Year 3 devised important questions to ask Mr Jeffries and Mrs May about flying frogs visiting their quiet town!

Look out for our written newspaper reports on such events which will be out for issue soon!
