## Headteacher Message

After a long period of not being able to have parents in school, this week we welcomed families back for a variety of lovely events. Year 1 parents attended a phonics workshop session and Early Years parents came for a 'Stay and Play' with their children. Thank you to all those that managed to attend and join in with the teachers and children. It was great to get back to such positive partnership working! On Friday afternoon last week we also enjoyed MacMillan coffee and cake afternoon and raised **£150** for the charity. Thank you to anyone who donated cakes or came to the event and ate generously! We look forward to welcoming you for further events so please check the autumn events list for details. This was sent out earlier this term via SchoolPing and can also be found on the school website in the 'term dates' section.

Year 6 visited Broadoak for a fun Spy Academy day this week, which had the added bonus of giving children the opportunity to meet the teachers and familiarise themselves with a high school setting. Year 5 and Year 6 families also had the opportunity to visit Broadoak during the evening as prospective parents/pupils. Team Theme have been working with different year groups across the school since the start of the year and Sale Sharks are delivering sessions to our children. This week we also welcomed Man Utd who have started United Minds and Leadership courses for the duration of the autumn term.

Many Thanks

Please can we strongly advise that parents park responsibly at drop off and pick up times.

It is essential that we keep our children safe. Please use the carpark by the shopping centre rather than parking outside school or on the double yellow lines. We know this can be inconvenient but the welfare of our children is more important. We have had a number of complaints from other parents who would like us to raise this concern with those parents continuing to park dangerously.

Thank you.
