Headteacher Message

Thank you to all the EYFS and Y1 parents who attended events last week in school. The 'stay and play' in nursery and reception was extremely well attended and the children loved having their parents and teachers working together. Year 1 parents also attended a very informative phonics workshop to help their children develop early reading skills. I would like to thank all the parents for attending and taking the time to complete the parent questionnaires. It was lovely to read all your positive feedback and praise for the staff. We hope to continue to offer different events to engage parents in school life again. Next week we will be sending out information about parents' evening which will be taking place online using School Cloud.

We are continuing to build our links back with our key partners so that children get a variety of enjoyable and exciting experiences. We are working closely with Team Theme and Sale Sharks who offer sports sessions to our children every week. Man Utd have started sessions with groups of Y4 and Y5 children and our Y4 children have started their swimming lessons. At PCA this week we also enjoyed virtual reading sessions with children meeting and talking to an author via Zoom.

Last week children in KS2 had the opportunity to meet authors Katie and Kevin Tsang during a live virtual event. They are the authors of many exciting books including the exciting Dragon Realm series. The authors shared with the children how they work together to get their ideas down onto paper and how they develop the plot, setting and characters. There was even time for some questions at the end of the session. Each class has been treated to a set of these exciting books for our class library and some might even be used for class novel time.

Congratulations to Olivia Woodruff and Leo James for securing the positions of head girl and head boy at PCA. This is a fantastic achievement and they should be very proud of themselves! Also, a huge well done to Freya Robinson and Lewis Ball who are deputy head girl and deputy head boy too. We will be relying on these children to be ambassadors for the school and role models for other children. The prefects will also be responsible for a number of duties around the school including supporting Key Stage 1 children, helping all pupils to access the reading shed at playtimes and assisting the teachers and office staff.

Well done to all these children for taking on the challenge and representing the school so beautifully.

Partington Weekly Weather Forecast

In Year 2, we have been writing character descriptions based on the character Max, from the text 'Max' by Bob Graham. All of the children did extremely well, using all the elements of writing taught during their English lessons. Here are a few of them on display in Mrs Wright's classroom.

Year6 MUFC football Tournament

After missing last year it was fantastic to get the school football team back in the MUFC Schools football tournament at the The Cliff training ground. This year however it was totally player led. The players showed great leadership and decision making skills in a very intense situation and the experience they had will have great benefits later in life. The MUFC staff were so impressed that the team have been invited back for the champion's week in June.

Early Year's Phonics Stay and play

Early Year's enjoyed Stay and Play with the parents last Friday. The parents joined in our phonics sessions and we showed the parents our phonic skills.

THANK YOU

A big thank you to **Rene Holt** and family for creating and donating safe parking banners for both Forest Gate Academy and Partington Central Academy. We are extremely grateful for this generous gift and the support offered by all our parents to stop dangerous parking outside the school gates. We hope that all drivers will take on this important message and not put our children at risk by parking or dropping off outside school. Thank you! Miss Edwards
