Headteacher Message

We have had another busy week with all our children working hard to catch up on their missed learning. We have released the parents' evening appointments and you should have booked to see your child's teacher via School Cloud. If you haven't had chance to do that yet, please be aware that bookings will close on Tues 19th Oct at 4pm ready for parents' evening on Wed 20th Oct. We urge all parents to take this opportunity to talk to your class teachers so you can get an early indication of how well your child has returned to full school life and any issues you need to be aware of.

We have also released the enrichment clubs bookings for after half term. You will have received information on the clubs available and the option to book your child on. Please book as soon as possible to avoid disappointment as there are limited numbers in each club. These clubs will start the first week back.

Thank you to the members of the parent council who have organised for our children to take part in designing a Christmas card. These designs will be sent off and made into sample cards for parents to purchase (if they choose to) during the Christmas term as a fundraiser for school.

Congratulations to Mrs Thomas in Nursery and Miss Smith in Y1 for completing their recent running challenges! Mrs Thomas completed the Race for Life in honour of Marian Wetherby, who not only was a treasured family member, but previously worked at Partington Central Academy for many years as one of our dinner ladies.

We are extremely proud that Mrs Thomas completed the race and raised funds for Cancer Research UK. Also, a HUGE well done to Miss Smith for completing the Manchester Marathon in aid of the CuddleCot charity. She achieved a lifelong ambition of completing a marathon whilst raising money for a charity close to our heart. Well done to both our team members for such an amazing achievement. We are very proud!

This week, **Y6CR** has become a crime scene as a burglar entered and stole Mr. Rivers' precious crystal. The intruder wreaked havoc in the classroom before threatening Mr. Dunstan into handing over the prized possession. The pupils are working hard on their witness statements and learning about recount writing in the process.

IMPORTANT

IMPORTANT INFORMATION

It has come to our attention that a number of children have been watching Squid Games (Rating 15) and other age inappropriate TV/films with disturbing content. This has caused some upset between families and friends and has scared some of our younger children.

Please can you ensure that accounts such as Netflix are monitored closely by parents so you are aware of what your child is accessing.

Thank you.

This weeks **Golden** award in Nursery goes to **Louie Rodgers Jackson Renshaw**

Terrific Time Keepers

It is really disappointing to report that we have no class without late marks this week. It is very important that all children are in school by 8:45am.
