Headteacher Message

With our enrichment programme well underway, it has been a pleasure to see our pupils out on trips again and visitors coming into school.

Last week, our Y2 children went on a trip to the Greater Manchester Fire Service Museum. I was delighted to hear the feedback from staff when they returned about how brilliantly the children had represented the school!

The staff explained that the children had been "so impressive" and "an absolute delight and a credit to us all". They reported that the firemen were amazed at how polite and well-mannered the children were, and how well they listened and asked questions.

In Y5 this week we had science workshops. As the lady was leaving she came to reception to tell us that "the children were a joy to spend time with". She reported that they were "excited, enthusiastic and well behaved throughout" and that "they were a credit to the school". It is lovely to receive such positive comments and share them with you. I hope you are as proud of them all as I am!

Thank you

Anita Edwards
Executive Headteacher

Up coming School Events

EYFS Space workshop Tuesday 16th November!
Year 3 Stone Age Workshop Thursday 2nd December!

If you haven't already, please pay for these workshops on Parent Pay!

Year 2 had an amazing time at 'The Greater Manchester Fire Service Museum'. They wore all the equipment, learnt all about the history of fire engines, explored what the streets of London were like in 1666, sat in a fire engine, travelled down the fireman's pole, responded to emergencies with an interactive game and many more fun activities. Furthermore, they returned asking lots of questions about their 'Great Fire of London' topic. It was lovely to see the children so enthusiastic about their learning!

This week **Year 4** heard the horns blow and prepared for battle with a Viking invader. Thankfully he came in peace and taught the children all about the Norse way of life from religion and runes to archery and preparing for the final journey to Valhalla. The children had a fantastic time and would welcome our Viking overlords back anytime!

On Tuesday **Year 5** took part in a fun Science Space Workshop! We explored how planets are formed, discussed the order of the planets and discovered why Pluto is now known as a dwarf planet!

Last week KS2 Play Leaders received training from Team Theme. The Play Leaders can't wait to lead fun & active games on the playground for their year group.

Captains table

This weeks **Golden** award in Nursery goes to **Luke Gormley** **Evie Little**

Dates for your diary

Terrific Time Keepers

It is really disappointing that we have no class without late marks this week. It is very important that all children are in school by 8:45am.

| Attendance Week Ending 12.11.2021 | |
