Headteacher Message

This week is National Road Safety Week so we have been investigating road safety and cycle safety. Taking part in this national theme is a great way to educate children about the dangers on the road and promote safe crossing and cycling. One of the key ways we can keep our children safe is to make sure that we drive and park responsibly, especially at school drop off/pick up times. Children sometimes have less awareness of the dangers around them so it is up to us as adults to make sure we park safely and reduce our speed around school. With this in mind, please park in appropriate areas outside school and not on the double yellow lines.

I would like to thank our amazing site team for their hard work during Eco-Day last week. In addition to their usual responsibilities they spent the day working with children to dig and plant trees along the bottom of the field. They were outside all day digging and planting in the cold and rain! Thank you to Frank and Steve for going 'above and beyond' as usual. It's greatly appreciated and the children loved it!

We have lots of events to look forward to and a return to the Christmas calendar (fingers crossed that Covid doesn't spoil our plans!). Please keep your eyes on the weekly newsletter for the diary dates and parent events. These will also be shared via SchoolPing. Also, a big thank you to our parent council for organising the Christmas card designs and orders that have been sent off this week. We are lucky to have you!

This weeks
Golden
award in Nursery goes to
Riley Hoyle
Jaxx Howe-Williams

Terrific Time Keepers

It is really disappointing that we have no class without late marks this week. It is very important that all children are in school by 8:45am.

Believe Achieve Succeed

THANK YOU

A huge thank you to everyone that donated to Children in Need.
The amount raised so far is **£186!**

The Payment item will remain on Parent Pay for another week if anyone still wishes to make a contribution.
Thank you

Dates for your diary

Friday 10th December
Elf Vs Santa Day

Monday 13th December
EYFS Nativity

Tuesday 14th December
Christmas Pantomime

Wednesday 15th December
KS1 Christmas performance

Thursday 16th December
Christmas Fair

Friday 17th December
Christmas dinner & Christmas Jumper day

Monday 20th December
KS2 Carol Concert

Tuesday 21st December
Finish for Christmas at 1:30pm!

Up coming School Events

Year 3
Stone Age Workshop
Thursday 2nd December!

Year 1
History trip
Thursday 9th December

If you haven't already, please pay for these workshops on Parent Pay!

Starting School

If your child is due to start Reception in September 2022 please apply for your place via Trafford School Admissions as soon as possible.
Admissions close on 15th January 2022.

Year 2 have loved taking part in some science experiments this week. We tested the hypothesis that 'The thicker the paper towel, the more absorbent it will be' to help Mrs Jones find the best paper towel to clean up after her dogs; who dribble water all over the kitchen floor. The children loved making predictions and carrying out their tests. They were so enthusiastic to discuss their findings and the science behind it!

As part of eco day, **year 1** looked at how we could recycle. Children have recycled cardboard at home and made a toy house and pen pots which we now use in class!

Attendance Week Ending 26.11.2021

R	92.32%
Year 1	92.57%
Year 2	91.82%
Year 3	93.58%
Year 4	90.36%
Year 5	94.26%
Year 6	88.28%
Whole School (weekly)	91.52%
Whole School (Sept to date)	93.54%
Target 97%	

Year 6 have been learning about plastic pollution and how it has caused significant damage to our planet. Here are some of the fantastic persuasive posters we produced in English.
