Headteacher Message

It has been lovely for Mrs Higginson and myself to spend time in classes this week and see the children learning. In Reception, the children wowed us with their phonics work. Y2HW performed brilliantly in the 'hot seating' task and wrote some amazing questions. Y3SI showed us they could identify the features of non-chronological reports and their use of technical vocabulary was exceptional! It was a pleasure to see the children so engaged in their learning. Behaviour was excellent and every single child was so enthusiastic it was wonderful to see. We saw children challenging themselves and working with partners to complete difficult tasks. I was extremely proud to see how hard the children worked and the positive relationships between pupils and staff. It has definitely been a highlight of my week!

Anita Edwards
Executive Headteacher

Information went out this week about Christmas performances. We are keen for these to go ahead as planned. To keep people as safe as possible, places will be limited to 2 family members per pupil and all audience members will need to wear a mask and sanitise on entry. We will keep you updated of any changes as they happen.

Many Thanks,
Miss Edwards.

Starting School

If your child is due to start Reception in September 2022 please apply for your place via Trafford School Admissions website www.Trafford.gov.uk as soon as possible. **Admissions close on 15th January 2022.**

Playground Rules:

- No inappropriate actions or language
- Listen to Prefects and Teachers
- Don't go on the grass without permission
- Don't climb the fences
- No play fighting
- Don't go behind the climbing wall

The **Year 6 prefects** have devised rules and made signs to encourage good behaviour outside at playtimes. Their input has been greatly appreciated by the outdoor supervisors.

Year 2HW loved their Science lesson this week. We had to decide which type of paper towel was the most absorbent to mop up a puddle of water. First we made predictions and then we worked together in groups to set up our experiments to find different ways to test our predictions. We had lots of fun working together.

Year 3 Stone age Workshop

The children thoroughly enjoyed the Stone Age workshop. They recapped key dates and details for the Stone Age, Bronze Age and Iron Age exploring what it was like to be alive during this time. Year 3 held real artefacts from this period, including a mammoth tusk, they dressed up as Stone Age people and undertook spear throwing. It was a fantastic way to consolidate our learning.
