Headteacher Message

Every day this week we have had visitors in school from our secondary teams at Broadoak, Ashton-On-Mersey and Dean Trust Ardwick. Each visit focused on a specific subject and the leads from each secondary school conducted learning walks and lesson observations to look at the quality of provision we provide in primary school. The visits were fantastic! Our secondary colleagues were amazed with the way the pupils engaged in their learning and the level of work that they produced. They were particularly impressed with the use of technical vocabulary and the quality of the children's work in their books. During each visit they watched lessons, interviewed staff and children, reviewed the curriculum and examined children's work. The children were exceptional as usual and they talked knowledgeably about their lessons, impressing everyone with their understanding and enthusiasm. It was lovely to be able to showcase the hard work that the teachers and children do at PCA. We have a lot to celebrate and be proud of! Well done everyone. Miss Edwards.

Year 3 Really enjoyed their DT lesson this week. They learned how to make an Apple Crumble using flour, rolled oat's, butter and brown sugar. Needless to say, the end product tasted delicious.

Year 1 had a fantastic day on our trip to Norton Priory. We made reindeer antlers and jingle bells to help us on our search for Rudolph. We were so excited when we found him. We had the chance to explore what life was like in Victorian times by playing with Victorian toys, playing Victorian games and setting a Victorian table. The children were all so well behaved and the staff at Norton Priory commented on our excellent knowledge and enthusiasm. What a great day!

Last Friday **Year 1** had a lovely morning taking part in an online workshop with author and illustrator Nick Sharratt.

He read to us from his new book "Oh no, there's a shark in the snow" and showed us how to draw some different creatures from his story books. The children really enjoyed themselves.
