January 2022

## Hello and welcome to Year 4!

In the classroom this year the teacher is Mr Toubanks and Mrs Wilde supported by Mr Ford!

The school doors open at 8:35am, with the children ready for a 8:45am start. Mr Toubanks would especially love to win the attendance awards this year, so see you bright and early!

A big welcome back to everyone; it has been lovely to see everyone's beaming faces!

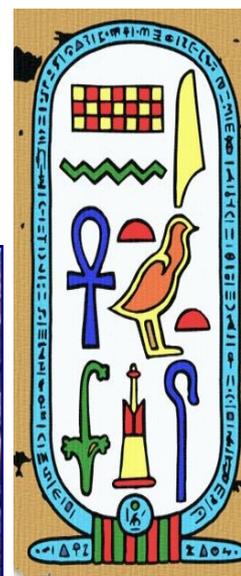

This half term we are examining the different places that humans live in our Geography settlement topic. We are looking at the similarities and differences between the smallest hamlet and the largest megacity.

Plus.....is Partington a village or a town? The eternal debate continues.

In science we will be exploring the science of sound. What are sound waves, can we surf them and why are we compelled to say one, two, one, two into a microphone?

Meanwhile in English we will be (hopefully) avoiding the curse of the Pharaoh and writing a newspaper article on whether there really was a curse or not? Mummy!

In PE please remember to make sure your kit is in school. Swimming is continuing until Feb half term so please remember your kits on **Mon-**

days.

We are still aiming to have books bags in every day and to get reading certificates as much as we can so please make sure reading records come in signed!

Let's make 2022 the best one yet!
