Headteacher Comment

This week our children have enjoyed a range of visits and visitors to enrich our curriculum. On Tuesday, our Y6 pupils enjoyed historical workshops with a visit from a World War 1 soldier. The soldier helped the children understand what it was like during World War 1 and talked about the events during that time. They took part in lots of activities and practical tasks to enhance their understanding of this historical period.

Y5 pupils have been out on a trip to the Museum of Science and Industry in Manchester and found out lots of information to help them with their science topics.

Thank you to all the parents who attended the Early Years 'Stay and Play' session in Reception this morning. We hope you enjoyed spending time in the classroom learning with your child. The children certainly enjoyed it!

Next week, we also look forward to finishing the term with a focus on maths with our Times Tables Rock Stars Day. Don't forget to get your costumes ready!

Thank you

Miss Edwards & Mrs Higginson

6CR	Charlotte Draffan	Matthew Boyers	Bella Moran	

Terrific Time Keepers

This weeks winning Class, once again, is **6LP!**
Well done and thank you
for getting your children in to school on time!

Year 5 had a great time at the Museum of Science and Industry on Thursday! We enjoyed exploring the experiment gallery; we stared into the mirror of infinity, found the strength to lift a mini and watched our own skeletons ride a bike! We also listened to a circuit show, we learned about conductors and insulators.

15 ways to promote and support Good Mental Health

1. Make sure you get enough sleep
2. Eat healthy food and drink healthy drinks
3. Learn how to relax and switch off
4. Connect with friends and family
5. Learn new things every day
6. Help others when ever you can
7. Exercise each day
8. Talk about your feelings
9. Be mindful and take notice of what is happening around you
10. Be thankful for all the things you have
11. Set goals for yourself and embrace your wishes and dreams
12. Challenge any negative thoughts
13. Learn how to smile more!
14. Ask for help if you have a problem
15. Have fun and laugh!

7th – 11th February Children's Mental Health Week

On Tuesday, Year 6 welcomed a visitor from Time Travel Education into our auditorium, where he taught us about life in the trenches during World War I and supported his vast expertise with an immersive VR (virtual reality) experience. The children thought that it was "really exciting" and "the best day ever!" and learned some great new facts and vocabulary. We also had the opportunity to handle and wear some authentic World War I equipment and uniforms, which helped us to understand how difficult it would have been to be in the armed forces during wartime.

Attendance Week Ending 04.02.2022

R	94.9%
Year 1	88.2%
Year 2	95.7%
Year 3	92.2%
Year 4	89.2%
Year 5	97.1%
Year 6	91.6%
Whole School (weekly)	92.9%
Whole School (Sept to date)	91.6%

Target 97%

Year 1 enjoyed their geography walk around the local area this week, spotting the different features of our town.

Some of our children in the After School Club have been making their Chinese lanterns for Chinese New Year. The year of the tiger.

Dates for your diary

Friday 11th February – Timetable Rockstar's Day
Friday 11th February – Finish for half term 3:05pm
Monday 21st February – return to school 8:45am
