Headteacher Comment

This week our Y5 children started their swimming lessons and these will continue after half term to develop their swimming skills.

Today we celebrated Times Tables Rock Stars Day with children dressing up as different rock legends and completing a range of maths activities and multiplication challenges. The children certainly got into the spirit of things with some amazing outfits! Children can access TTRS at home as well as in school. If you're not sure how to do this then please see your class teacher as it's a great way to learn times tables. Children can reach different levels whilst trying to get to the top of the leader board. TTRS Day has been a great success and fun for everyone involved. Thank you to our maths leaders for organising the day!

On behalf of all the staff we would like to wish our children and families a happy half term holiday. We look forward to seeing you back on Monday 21st February. Have a lovely break!

Thank you
