**Summer Term 1**

**April 2022**

## Your Year 6 Team:

Miss Palfrey, Mr Rivers, Mrs Barrett, Ms Ryan and Ms Thomason

## Welcome Back Mrs Barrett!

Mrs Barrett has returned from her maternity leave and will be supporting the pupils with their SATs preparation for the next two weeks.

Welcome back. We hope you have had a restful Easter break and that the pupils are ready for their final term with us.

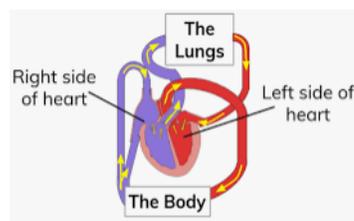

Most importantly, **SATs week is from Monday 9th May until Thursday 12th May.** Please ensure that your child is well rested, after having a good night's sleep and has a good breakfast before they arrive at school on time (between 8:35 and 8:45). We have been preparing for these tests for several months now and we hope that your child feels ready for them. All we ask is that they try their best.

After the tests, we will begin learning about the Second World War

in history.

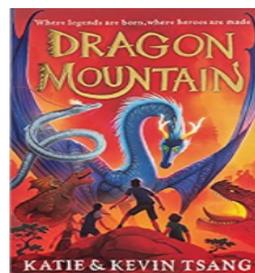

We will be covering the topic of animals and humans in science lessons, where we will learn about the circulatory system, the function of the blood and the effects of drugs on the body.

In PSHE we will be covering a range of objectives as part of our trip to 'Crucial Crew' on 24th May. Here they will be able to learn about basic first aid, the dangers of the

railways and road safety, amongst other topics.

Once again, we would like to remind you that our pupils are expected to read at least 3 times per week, record it in their planner and have it signed every week by a parent/carer. They need their planners in school every day so that we can track how well they are progressing with their reading books. Additionally, pupils need to be learning their spellings that are sent out every Monday and are tested on Fridays. We thank you for your support in this.
