Headteacher Comment

Congratulations to our Y1 children for working so hard to catch-up on their phonics this year. The children have been exceptional in their attempts to get to the right level of learning despite all their missed early education over the last 2 years. It has been fantastic to see the progress that these children have made since September and they have amazed us with their dedication to improving their skills. They really are a credit to the school. Thank you to all the staff involved in taking daily phonics lessons and running catch-up interventions. Your commitment to supporting the children has been relentless and we hope that the results will reflect all the hard work that has taken place. Well done everyone!

6CR	Oliver Leeming	Thomas Gill	Millie Buckley	

The government have issued a notice that school absence fine's will be reinstated.

Absence from school means children lose valuable learning time and with the extended disruption we have had already these last couple of year's, it is more important than ever that children are in school every day!

Believe Achieve Succeed

In order to celebrate the Queen's Jubilee, the children in 5SJ decided to construct a time capsule. Each time capsule contains a poster of significant events from the last 70 years for each decade. We included fashion, food, sports and more! We hope someone will find it in the next 70 years!

On Wednesday, 2GJ enjoyed their trip to Broadoak school. They learnt all about creating realistic and appealing packaging for their food wraps that they are designing and making in their DT unit of work. The children behaved excellently and enjoyed learning in a high school setting!

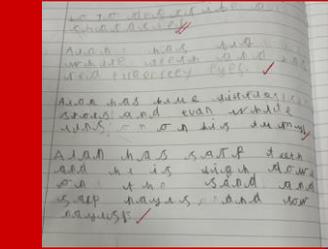

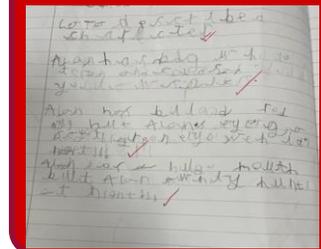

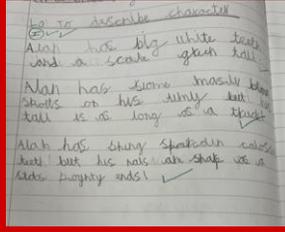

The workshop, led by Balestra Education, was an immersive, tactile experience for the Year 6 pupils. They were able to handle a wide range of genuine WW2 artefacts and wear some of the uniforms. In the afternoon, we learned how to properly black out a window to ensure that bomber planes couldn't see where the houses were.

A big well done to the children who won the 'self-belief' certificate for last half term. These children had the self-confidence and self-belief to achieve their personal bests in their PE lessons

Year 1 have been working hard on descriptive sentences. We have been trying hard to use cursive writing and using conjunctions to try and extend our sentences to make them more interesting!

Dates for your diary

20th – 23rd June
National Sports week
Thursday 23rd June
Y2HW trip to Broadoak DT
Friday 24th June
INSET DAY – School closed!

Attendance Week Ending 17.06.2022

TAKEHOME

In the news this week

The technology company, Google, has recently announced changes to its search engine, including the introduction of the 'Monk Skin Tone Scale' to help make search results more inclusive by showing a wider range of skin tones. Professor Dr Ellis Monk (creator of the Monk Skin Tone Scale) and Google aim to tackle the unfair balance of skin tones people see when searching online.

- Things to talk about at home ...**
- Can you think of a time when you didn't feel you were treated fairly or were fairly represented?
 - Can you think of an example of how to make others around you feel they have been treated fairly?
 - Do you think that seeing a wider range of people and skin tones when searching the internet will have a positive impact?

Please note any interesting thoughts or comments

What's been happening in the news this week? In our circle time this week we have discussed the following question: Does sport have a part to play in making the world a fairer place? We discussed its link to our British value of:
