Headteacher Comment

Welcome back to all our families. We trust you have had a nice summer break and it has been lovely to see all the children return to school looking smart and ready to learn. Please can I remind parents that earrings are not permitted in school. Plastic retainers should only be used whilst they are healing and once the ears have healed the retainers are unnecessary and should also be removed.

Last year we faced many challenges as we returned to school after significant periods of school closure. This disruption has had an impact on attendance nationally and we are looking to improve the attendance of children in our schools this year. Please help us rise to this challenge by ensuring that your child is in school every day and reporting any sickness absences to the school office. We also return to penalty notices for holidays and extended unauthorised absences. No holidays will be authorised in term time.

Finally, thank you to all the parents for their positive feedback about summer school and the kind comments about the staff giving up their holidays to provide this service for our community. On behalf of the school, I would like to add my thanks to them for their commitment and dedication to the children.

Many Thanks
Miss Edwards.

Year 6 attended Spy Academy on the morning of Thursday 15th September at Broadoak. Our pupils had a great time being detectives in order to solve crimes. They had to use their problem solving clues in the Maths department, inference and deduction skills in the English department and create a fair test in order to measure splatters of blood! (Don't worry no Yr 6's were harmed during this experiment!) It was fascinating and a good time was had by all. The pupils did us proud with their impeccable behaviour and we look forward to visiting Broadoak again in the future.

**Broadoak
Open Evening
Thursday 29th
September
4.00pm –
7.00pm**

In our circle time this week we have discussed the following question: Could we live or lives without plastic? Feel free to carry on the discussion at home!

TAKEHOME

In the news this week

A housing association has built Europe's first virtually plastic-free housing development in the UK. Built by GreenSquareAccord, the £1.3m project in Redditch, Worcestershire consists of 12 affordable one-bedroom homes built using plastic-free alternatives to reduce environmental impact. Each apartment features many alternatives, such as wooden kitchen units and aluminium window frames. The wiring uses a mineral-based insulation rather than the usual plastic, and solar thermal heating systems are also installed.

Things to talk about at home ...

- Share your thoughts on this week's story. Do you think it's a good idea to create virtually plastic-free homes? Did you realise there was so much plastic in home building?
- Think about your usage of plastic in a typical day, how much do you encounter in your everyday life?

Please note any interesting thoughts or comments
