Headteacher Comment

On behalf of Partington Central Academy, I would like to extend my heartfelt condolences to the royal family following the sad news of the passing of Queen Elizabeth II. The Queen died peacefully at Balmoral Castle yesterday after an incredible 70 years on the throne. News of the death of the UK's longest-reigning monarch has been received with sadness around the world. Tributes have been pouring in from across the globe and we would like to join with the dignitaries and world leaders in paying tribute to The Queen and honouring her deep sense of duty and resilience.

During the last 70 years the Queen has dedicated her life to the throne. The long reign of Queen Elizabeth II has been marked by her unwavering sense of duty and her determination to serve the British people and the people of the Commonwealth. Queen Elizabeth II is an outstanding and inspirational role model who reigned across eight decades. The qualities she displayed epitomise our British values and influence education for all our children. Despite recent health issues her tireless work ethic has been clearly evident as she continued to serve the country by meeting with the new Prime Minister. This is the 15th Prime Minister during her reign, beginning with Winston Churchill decades ago.

From the moment of her coronation, Her Majesty Queen Elizabeth II has inspired and captivated generations. She has witnessed and been involved in some of the most significant incidents in recent history including the moon landing, World War II, pandemics, the fall of the Berlin Wall to name but a few. It is fitting that she has also been at the forefront of events including the 2012 London Olympics and the recent Platinum Jubilee celebrations. The Platinum Jubilee has given the British people the opportunity to demonstrate their love and support for Her Majesty in her final year on the throne. As we enter a period of national mourning we await news about the next steps, national changes and our new king, King Charles III. It is certainly a privilege to be part of this period in British history.

I have no doubt that you will join with us in extending your sympathies to the Royal family and our thoughts are with them at this difficult time.
