## Headteacher Comment

It has been an exceptionally busy week with trips, visitors to school, enrichment clubs, walks around the local area and science walks. The children have been excellent on their trips and represented us well by demonstrating good manners, asking interesting questions and taking part enthusiastically. Visitors have been impressed with the calm, positive working environment.

Next week is anti-bullying week. On Monday, children can attend school in odd socks to 'kick off' anti-bullying week. Children are encouraged to wear odd socks to celebrate differences and what makes us all unique. We will be promoting with the children that we are a "Telling" school and that if children are being bullied or see bullying they **TELL** someone. We will also help children to recognise bullying. We will remind them that it is not a falling out between peers but occurs "Several Times On Purpose". To help children remember, we will teach them the acronym **S.T.O.P** – Several Times On Purpose.

We will also be celebrating Children In Need on Friday 18<sup>th</sup> Nov. Children can come dressed in official merchandise or spotty clothes to show our support for the charity. Donation buckets will be available for families who would like to make a contribution.

**Well done:** Congratulations to Dexter after he came up with an idea for an art lesson then taught his classmates the necessary techniques to complete the task. The lesson was so successful that the work has been displayed outside his classroom. Well done! A great achievement.

“Year 1 had a fantastic afternoon playing with their Grandparents. They were able to play with a mix of old and new toys and talk to their visitors about what they played with when they were little.”

The children have been thinking about Remembrance this week as we pay our respects to the fallen. On the 11<sup>th</sup> Hour, of the 11<sup>th</sup> Day on the 11<sup>th</sup> Month, we stood in silence as a school for 2 minutes in remembrance. 6CB created this wonderful display as part of their work on Armistice Day this week.

Year 2 had an amazing time at ‘The Greater Manchester Fire Service Museum’. They wore all the equipment, learnt all about the history of fire engines, explored what the streets of London were like in 1666, sat in a fire engine, travelled down the fireman’s pole, responded to emergencies with an interactive game and many more fun activities. It was lovely to see the children so enthusiastic about their learning!
