Headteacher Comment

This week we have had a focus on road safety. Children have been learning about safe ways to cross the road and the importance of all road users being responsible and considerate to others. We hope that teaching children these life skills will help them keep safe outside of school hours. To support your children with these key safety messages, please make sure you demonstrate being a responsible road user by driving and parking responsibly on the school run. Recently the welfare of our children has been endangered on a number of occasions due to parking on the double yellow lines outside school. This puts all our children at risk. Please help to support our school community and keep our pupils safe by using the car parks nearby and walking to the school gates.

The World Cup kicked off to a fantastic win by England on Monday. Our Picture News this week looked at what football could teach us about the wider world. The tournament – involving teams from around the world - provides us with the opportunity to learn about different countries and cultures whilst supporting our team. We look forward to seeing how far they can go in the competition!

If you are struggling to use MCAS app to book trip's please let the school office know.

What's been happening in the news this week? In our circle time this week we have discussed the following question: What can football teach us about the wider world? Feel free to carry on the discussion at home !

TAKEHOME

In the news this week

The men's FIFA World Cup 2022 has started in Qatar and will run until 18th December. It is the 22nd edition of the competition, and the first played in the Arab world. The 64 matches of the tournament will take place across eight venues in the country. Usually, the event takes place in summer but because of the extreme heat at that time of year, it has been moved to a November-December winter slot, though temperatures will still reach about 25°C. The decision to stage the tournament in Qatar has been criticised because of concerns over the country's poor treatment of the large number of workers from other countries, employed to help them prepare for the tournament.

Things to talk about at home ...

- > Have you been watching the World Cup so far? Share your thoughts on the tournament.
- > As the World Cup is held in different countries, do you think it provides an opportunity for people to learn about life in other parts of the world?

What can football teach us about the wider world?
