## Headteacher Comment

With more and more information being shared through My Child At School (MCAS) it is essential that all parents have downloaded the app and are accessing it regularly. The spring events list has been shared on MCAS. It shows some of our themed events, visitors to school, trips and parents' meetings to keep you well informed. On Friday 3<sup>rd</sup> February we will be holding a Times Tables Rock Stars day. Children can dress up as rock stars and join in a day of maths challenges and competitions. This highlights our focus on the Times Tables Rock Stars programme which children can access both at home and school to improve their multiplication tables. This is a key skill for maths.

Please remember to report any absences or appointments to school so our records are accurate. Children should attend every day unless they are unwell. If you are unsure whether they are fit enough to be in school please ring for advice and confirmation. Currently our best attending year group is Reception with 99.1%! Congratulations to our youngest pupils who are leading the school with the best attendance. Excellent role models and setting the standard for others. Well done.

If you need assistance using the MCAS app please inform the office.

All payments for school meals, breakfast and afterschool club and trips will now be on the MCAS app and no longer on ParentPay.

**IMPORTANT**

Year 2 were lucky enough to have a visit from some Firemen at Sale Fire Station. They delivered an assembly on how to avoid fires in the home, what to do if a fire starts, why we should never play with matches and that if our clothes catch on fire we should: STOP, DROP and ROLL.

Y1-Y6 can participate in lunchtime football if they wish, please bring trainers into school (not wear them into school)

This year our boys are winning the attendance race (93.8%) and have slightly better attendance than our girls (92.6%)  
The year group with THE BEST attendance in school is Reception!  
The class with THE BEST attendance in school is Mrs. Kaur's class!  
Our current school attendance is 93.2%. We want to achieve 96%+.  
The year group with the lowest number of 'persistent absentees' is Reception! Y2 are second.
