## Headteacher Comment

Following Chinese New Year on Sunday 22<sup>nd</sup> January, we joined in some of the celebrations so that we could learn about another culture and some of their traditions. We enjoyed Chinese food this week for school dinners and our Early Years children had a lovely time watching the Chinese dragon performance and taking part in a workshop.

Next week, we are looking forward to Times Tables Rock Stars day. We encourage all our children to dress up as rock stars and get ready to participate in maths challenges for the day. This is taking place on **Friday 3<sup>rd</sup> February**. We look forward to seeing the amazing costumes!

As you will be aware, industrial action is taking place across the country on Wednesday 1<sup>st</sup> February. Letters have already been sent out to inform you of the arrangements for your class. You will have received this on Wed 25<sup>th</sup> Jan. Please check to make sure you know whether your child's class is open. Thank you for your understanding during this time and don't hesitate to ask if you have any further questions.

Many Thanks

Year 1 have been enjoying making clay snakes in our art sessions. We have been cutting, rolling and coiling the clay into the shape of snakes, then using tools to add a repeating pattern. We are looking forward to painting them next week!

**Y5SJ trip to St Marys**

5SJ enjoyed their local History trip to St Marys Church on Friday. The children took part in a quiz around the grounds of the church, they looked at old photographs and compared old Partington to new Partington. The children found out that there was a ferry that crossed between Bob's Lane- Cadishead and Lock Lane- Partington. They also discovered that there used to be a train station named 'Partington Station'.

3SI were busy this week creating abstract art in the style of Piet Mondrian and Henri Matisse – through collage and block painting

Year 6 Art Challenge was to create a motif and a pattern in the style of William Morris.  
Excellent work!

How much control do influencers have over our choices?

**In the news this week**

A drink called 'Prime Hydration' has arrived in the UK and as quickly as it arrived, it sold out. The creators of the drink are online influencers KSI and Logan Paul. After opening, some shops saw pushing and shoving as people tried to get their hands on the drinks, with many deciding to limit customers to one bottle per person. The craze did not stop at the supermarket shelves; on eBay the drinks were up for sale for thousands of pounds each. The Founders of Prime, KSI and Logan Paul, have a combined YouTube following of over 40 million people.

**Things to talk about at home ...**

- Do you watch any influencers online? Talk to others in your home – do they watch influencers?
- Are there other well-known people that you admire or look up to? What are they known for?

Please note any interesting thoughts or comments
