Headteacher Comment

Huge thank you to our parent council for organising the Easter Bingo event this week. It was a great success! The event was really well attended and this showed great support for the school and the work of the parent council. Thank you to everyone who came and congratulations to all the bingo winners. Also, a big thank you to our families for their kind donations of Easter eggs and chocolate bars to make up the hampers. We have raised £340.

As we look ahead into the final week of the spring term, we have a number of events. On Monday, it is parents' evening. This is a face-to-face event to give you the opportunity to see some of the children's work and to hear about your child's progress so far this year. Our Early Years department also have an Easter Bonnet Parade planned for Thursday 30th March at 9am and 2.30pm. We welcome all our nursery and reception parents to join us on that day.

Finally, we finish for the Easter holidays on **Thursday 30th March** and return on **Monday 17th April**.

Easter Bingo 2023

Thank you to everyone who took part, we raised a massive £340!! If you would like to join the Parent Council please get in touch via the school office..

Dates for your diary

Monday 27th March –
Whole School Parents Evening
Face to Face in school

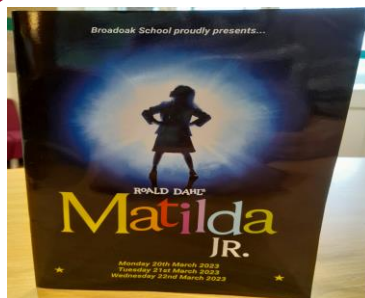

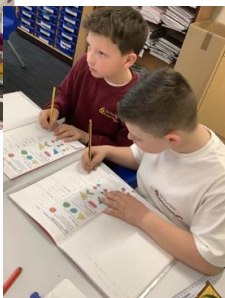

Thursday 30th March –
EYFS Easter Bonnet Assembly 9am
and 2:30pm

Thursday 30th March –
School finishes for half term

6CB have been busy demonstrating their knowledge of SPaG (Spelling, Punctuation & Grammar) elements by creating graffiti style posters that they can use as memory-joggers during their revision classes. They worked well in small teams to produce these and they have certainly brightened up our classroom too!

5SJ have been working on area and perimeter this week. Well done!

Thank you to Broadoak who invited some of our year 4 pupils to watch the performance of Matilda. It has been enjoyed by lots of our families. Massive thank you and well done.

Year 4 have been learning about the digestive system in science and have made our own model to explain what happens to the food we eat. Can you guess what we ended up with?

ATTENDANCE WINNERS
