30th March 2023

Headteacher Comment

After the Easter holidays, Y6 pupils will have just 3 teaching weeks until they sit their SATs tests. It is crucial that all Y6 children attend every day to be best prepared for their tests. So far they have made good progress and we now need to secure their understanding in time for SATs week (Tues 9th May – 12th May). Children will be tested in reading, maths arithmetic and reasoning, spelling, grammar and punctuation (SPaG). Writing is teacher assessed in June and will be subject to moderation.

Thank you to our Y4 children who are constantly being praised by adults both in and out of school. This week, the swimming instructors have once again commented on how polite, well-behaved and enthusiastic they are during their lessons. They are certainly a class to be proud of! Well done Y4!

Thank You! = Thank you to all the parents who came to parents' evening this week. It was extremely well attended and staff enjoyed the time with families. A huge thank you to all the parents who completed the parent questionnaires. It had been really encouraging to see the positive feedback and the lovely comments. It was particularly heartening to read the comments about special needs – well done to Miss Layton for all her work to support our SEND children!

Easter Assembly = Well done to our Early Years children for singing beautifully in their Easter assembly. Lots of parents came to see the children in their Easter parade and listen to their songs. Thank you to all the parents for attending. A great way to end the spring term!

On behalf of everyone at Partington Central Academy, we hope you all enjoy the Easter break. We look forward to welcoming you back on **Monday 17th April**.
Happy Easter!

RKK	Tyler-Jason Harden	2GJ	Sanchia Ann Abraham	3CT	Ameya Cochrane	5SJ	Danielle Leonard		
RKK	Esmarelda Graham	2GJ	Ethan Hughes	3CT	Lucy Fearnley	5SJ	Lincoln Graham		

On Wednesday 29th March 44 pupils from across KS1 and KS2 were rewarded with a visit from the Tech Truck.

This reward was because the children had managed to achieve 3 or more gold awards in the Spring Term.

Well done to each and every one of them!

EYFS Easter Bonnet Parade

Year 1 enjoyed the Florence Nightingale Workshop last week!

KS2 enjoyed a March Maths Challenge organised by our Maths Ambassadors where they hunted for envelopes containing maths questions. The answers created a secret word. Winning class to be revealed after Easter. KS1, watch this space – what word will your maths hunt reveal?

Congratulations to Isabelle Keevney (3CT) who has won the Golden Reader Prize Draw for the Spring Term in KS2.

Golden readers are entered into a prize draw each term. They are the children who have read every day for a week.

Well done Isabelle!

Good Luck to all our children for the Summer Term!

Attendance Week Ending 30.03.2023

In the news this week

Schools in parts of Turkey and Syria have been reopening in the weeks since the devastating earthquakes hit, many in the form of makeshift tents. Teachers in the affected areas are making certain children's education continues, despite the difficult circumstances. Many school buildings were affected in the earthquakes at the start of February, leading to all educational institutions nationwide being closed for over two weeks. Although many learning centres have since reopened, lessons have had to also continue in tent schools, set up by volunteers and authorities in the worst affected areas.

Things to talk about at home...

- Share your knowledge and understanding of last month's earthquakes in Turkey and Syria.
- Talk about how difficult it may have been for the affected communities there.
- Thinking about your own community, how do you work together – especially when things are hard?

Please note any interesting thoughts or comments
