World Book Day celebrations have taken place this week with children taking part in a variety of reading activities. Our Reading Ambassadors helped to organise the events with Mrs Wright and promoted the special day in school. Children watched author events online and spent time reading books by their favourite authors. Reading Buddies shared stories with younger children and many pupils are currently taking part in a sponsored read. Thank you to all our families for their efforts with costumes. There was so many imaginative characters throughout the school and the children looked incredible! Well done to the staff for joining in the fun too!

Y6 and Y2 children are working hard to prepare for their SATs and many are completing extra work at home. A meeting for parents is being held next week to share information about SATs and how you can support your child. The Year 6 meeting will take place on Thursday 9th March at 9am and the Year 2 meeting will take place on Friday 10th March at 9am. We urge all parents with children in those year groups to attend so that you are fully informed about the assessments and expectations.

Many Thanks

Last week Y4 enjoyed their trip to Bolton Museum: We saw a range of creatures in the aquarium and lots of artefacts. We were immersed in Egyptian life and death in our workshop.

Last week Year 2 had their Explorers Workshop. Through a range a role play and drama the children were able to walk in the footsteps of some of the world's most famous explorers and learn about their amazing lives. They went back in time to set sail with Christopher Columbus, fly high with Amy Johnson, track through Antarctica to find Ranulph Fiennes and joined a space camp to train like Neil Armstrong! The children had a lot of fun as you can see from the photo's.
