Headteacher Comment

Well done to the children in Y6 who finished their SATs assessments this week. Thank you to our parents for ensuring the children arrived early at school each day to be prepared for the test ahead. They worked hard and applied themselves to the best of their ability. The test papers have now been sent away for marking and results will be received at the end of the academic year. Results will be shared with parents once they've been received in mid-July. Well done to all the children involved for all their hard work preparing to reach the 'expected' standard and above. Y6 will now be focusing on writing and gathering evidence to secure the right level of achievement.

Next week, we turn our attention to Y2. Children will start their Y2 SATs assessments which judge the level of ability of each child as they prepare to leave KS1 (infants) and enter KS2 (juniors). After the Y2 SATs are concluded, Y1 will complete their phonics screening checks. These take place in June.

Many Thanks

Anita Edwards

Raising money for Harvey's future ❤️

gofundme

Massive well done to everyone at PCA for helping towards the fundraiser for Harvey. The total raised was £200.00!

Y6 were practising their spelling patterns in readiness for SATs, by graffitiing the playground with chalk, in order to revise suffixes, prefixes, silent letter patterns and homophones.

Well done to Holly for writing an exceptional poem about football! Holly spent her own time creating a beautiful piece of writing. She used her own knowledge and experiences of playing football to describe the excitement of the game to perfection. Congratulations Holly, it was wonderful to read! Miss Edwards

IMPORTANT

Holidays in term time are not permitted and are unauthorised. Please do not book any holidays during school time.

Year 5 really enjoyed their visit to Ordsall Hall last week. We met and interacted with high and low status characters. We found out about Tudor homes and we identified differences between the ways of life between rich and poor people.

6LP & 6CB**

KS2 RUNNERS UP – 3CT

KS1 WINNERS – 2HW

**KS1 RUNNERS UP –
2GJ & 1KT**

EYFS WINNERS – NAM

EYFS RUNNERS UP - REC

Year 3 enjoyed travelling back in time on Tuesday 2nd May to discover who built Beeston Castle and why they chose this location, looking for evidence in the remains of the castle to help explore key events in the past. The children started their day role playing the 'life of an esquire to the king' and learned how they trained to knighthood. The History of the castle was brought to life as we began the ascent to the remains of the castle. Year 3 were able to use the knowledge of castles and structures to identify key features as they relived what life was like in a medieval castle and how knights protected it. Year 3 used mock bows to relive attacking the enemy from high heights when they reached the top of the castle they learned about how the site has changed over time.
