Headteacher Comment

This week Y2 completed their SATs tests. Well done to all the children for concentrating so well and performing to the best of their ability. Thank you to all the staff for supporting the children through the process and ensuring it was a positive experience.

To celebrate the end of Y6 SATs, Mr Dunstan kindly arranged a football match between Partington Central and Forest Gate for those who wanted to take part. The remaining children had a cinema afternoon with popcorn. Thank you to the staff for arranging this between the schools so that the children could relax after a busy week of tests.

Next week our reading ambassadors will be running a Reading Buddies Day with Mrs Wright to promote reading throughout the school and to give children the opportunity to read with their peers. This has been a lovely addition to our events programme this year and it's fantastic to see our pupils supporting younger children and sharing books together.

Finally, we continue to try and improve attendance and punctuality. Please notify the office if your child cannot attend to let us know the reason. Please continue to try and book any medical appointments outside of the school day or as late in the school day as possible to prevent missed learning.

Many Thanks

Anita Edwards
Executive Headteacher

Katy Higginson

Y6 Writing = Well done to Y6 who have written excellent chronological reports. The pieces of writing demonstrated all the appropriate features of the text and included high level vocabulary and punctuation. Lovely to see our Y6's working to such a high level!

Well done!

Congratulations to Liam and the Trafford Lions Under 9's for securing another tournament win. Great to see the success of our pupils in their clubs outside of school. Well done! Miss Edwards.

3SI - Eloise's Saxon Village. Taking inspiration from recent history lessons about Saxons, Eloise has spent her evenings and weekends with her Mum creating this beautiful Saxon Village.

During Art lessons this week, Y5 have been using various shapes and tones to create the 4 elements of Earth, Wind, Fire and Water. ☺

IMPORTANT

Holidays in term time are not permitted and are unauthorised. Please do not book any holidays during school time.
