## Headteacher Comment

Congratulations to the children who were awarded headteacher certificates today for demonstrating our school values, good manners and good work ethic over the course of the half term. These awards are very difficult to achieve and pupils should be very proud that they have stood out amongst their classmates. It is certainly an achievement that should be celebrated and it is fabulous to have such good role models in school.

We are continuing to support groups of pupils by providing maths tutoring (1:1 online tutors and small group tuition). This is helping to cover lost learning from the disruptions to school life over the last couple of years. This will continue in the final term and into next year. After the half term break the new enrichment clubs will begin. Please remind your child which clubs they are attending. We return to school on **Monday 5<sup>th</sup> June**.

On behalf of everyone at PCA, we wish you a happy half term break.

## TAKEHOME

Has being online changed things for the better?

## In the news this week

30 years ago, on 30<sup>th</sup> April 1993, Swiss science company CERN opened up the World Wide Web to the world, free-of-charge. The 'collaborative information system' was being used by the scientists at CERN (the European Organisation for Nuclear Research) to communicate, without delay, across countries and continents but deciding that there could be wider uses for the tool, they made it available for everyone.

### Things to talk about at home...

- > How often do you access websites online? Are there any particular sites that are your favourites? What about others in your home?
- > Talk to someone older, who can remember a time before people had access to the World Wide Web. Ask them how things were different.

Please note any interesting thoughts or comments

Some classes had a Pop Lacrosse workshop with 'We Are Kickstart' this week. The aim of the game was to try and shoot or roll the ball into the opponents net.

Well done to Laila for producing an excellent piece of written work on Henry VIII's wives. She did this as extra history homework, showing her dedication to learning beyond the school. An excellent quality to have! Well done, Laila! Beautifully written.
