Headteacher Comment

On behalf of the staff and governors at Partington Central Academy, we would like to wish you all a lovely summer break. Thank you to our parents for your unwavering support over the last academic year. It has been fantastic to see you all attending school events and spending time in school. Your kind words of support have not gone unnoticed. The children return to school on **Tuesday 5th September**. The new school timings will be **8.45am – 3.15pm**. School-led enrichment Clubs will still finish at 4pm as usual. Freedom Football (as a paying club) has confirmed that they will still run for an hour and finish at 4.15pm.

I would like to give a special mention to the members of our parent council who have worked tirelessly on school events, listening to readers, organising activities and supporting children throughout the year. They have worked with other parents to organise a Y6 party for the children leaving school, a memory the children will cherish. Their commitment and dedication to the children is incredible and we are extremely grateful for all their hard work. Thank you from the whole PCA school community. You are amazing!

I would like to wish all our Y6 children good luck and a fond farewell. I'm sure you will all have a fantastic time at your chosen high schools and I hope you continue your successful educational journeys. You'll be missed!

Wishing you all a wonderful summer break.
Miss Edwards

2022 - 2023

PCA staff would like to say a massive thank you to Jessica from our Parent Council who treated the staff to an amazing lunch! It was enjoyed by all. Thank you.

As part of Design Technology, Y5 were asked to design and make a healthy salad. The children were then asked to research which foods are healthy and which are unhealthy to see what they could include in their recipe's. We picked the three most popular salad dressings as a class and the children then picked which one they would like to make. They had a fun morning making up their own salad and dressing.

Well done to Luke Wegener in 3SI who has made posters to keep our countryside clean and safe. Excellent work Luke.
