Headteacher Comment

Thank you to everyone who attended the parent events this week. The children did a wonderful job of celebrating Harvest and they shared these celebrations with their families in their assembly. It was a lovely event!

Y4 parents attended a multiplication workshops to learn about how times tables can be taught and the expectations for Y4 children. All Y4 pupils are required to take part in the national multiplication screening check towards the end of Y4 and are expected to answer a range of multiplication questions accurately and at speed. This data is collated nationally to look at the performance of each child. Children can access Times Table Rockstars at home to help them learn the ones they struggle with and the repetition is essential. If you have any problems logging on, please don't hesitate to contact your teacher for help.

Parents' evening is on Monday and appointments need to be booked beforehand. This is an online meeting that you can access via School Cloud. Please contact the school office as soon as possible if you haven't managed to book your appointment. Many Thanks.

School Finishes
- Monday 30th October
Return to school

Maths is Everywhere!

Maths Ambassador Challenge: *How can you show that maths is everywhere?*
Send in a photograph or make a poster to show what maths you have seen/completed.
There may be a prize for the pupil who makes the most effort. Good luck!

WELL DONE TO THIS WEEKS ATTENDANCE

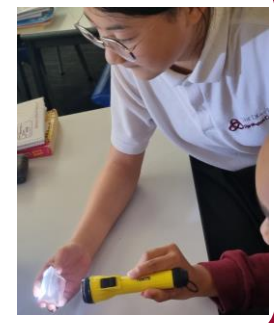

WINNERS
KS2 – 6CB
KS1 – 2HW

Please don't forget your child's coat as it is now getting colder. Please ensure your child's name is in all items of uniform.

Year 6 were investigating Sir Isaac Newton's theory of colour in Science this week. He realised that although light looks white, it is actually made up of all the colours of the rainbow!
When these colours merge together, it looks white to our eyes. We can use a prism to separate the different colours of the spectrum, as Year 6 demonstrated.

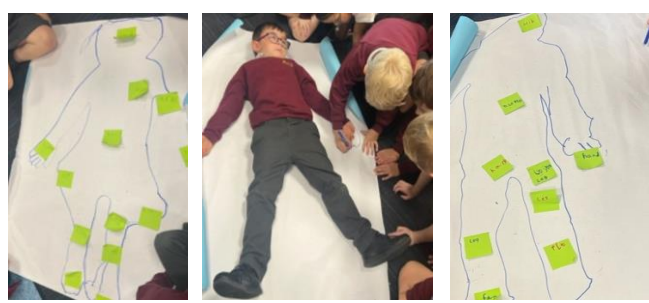

EYFS Well done to all the children in Nursery and Reception for a fantastic Harvest assembly. They all performed amazingly. Thank you to all the parents who came to watch.

Attendance Week Ending 13.10.2022

R	92.8%
Year 1	93.2%
Year 2	96.7%
Year 3	91.8%
Year 4	91.3%
Year 5	92.0%
Year 6	88.5%
Whole School (weekly)	92.9%
Whole School (Sept to date)	94.0%
Target 97%	

Year 1 have enjoyed learning about the body and our senses in science. We drew around our friends body and then we labelled it. It was great fun!

September 2024 Reception Places

September 2024 Reception Places

The application process is open to secure a place in our Reception class in 2024.
You can apply for their school place via the Trafford Admissions website.
www.Trafford.gov.uk
