

Year 4 Newsletter

Autumn 2

November 2023

Year 4!

In the classroom this year the teachers are Mrs Wilde and Mr Fox supported by Mrs McRae and Mrs Bridden.

The school gates open at 8:35am, with the children ready for a 8:45am start.

This term we will continue to learn about the Viking's time in England! We will look at Gods and Goddesses and consider significant people of the time.

In English we are starting off with the story of the Iron Man. A classic text which the film, The Iron Giant is based upon.

In maths we will look at area and then delve into multiplication and division.

The pressure is on for Year 4 to know all of the times table facts. Try and practise as much as you can. We'll give you lots of different ideas of how you can do this.

In science your bright sparks will be becoming little Edison's (and Tesla's) and using bulbs to demonstrate electricity.

Will they have a bright idea and be able to build a complete circuit?

In Geography, we will continue to look at settlements and discover our knowledge

of European Capital cities.

In computing we will be looking at photo editing and all the associated skills.

In art we will be looking at reflections in art and how different artists achieve this using a variety of techniques.

Swimming continues on a Monday so please remember towels and swim kit:

Our **PE** lessons are on a Tuesday afternoon, when we will be doing Viking dance, so bring your PE kit in a bag.

Homework will be given out on Monday to be handed in on Friday.

Things to remember

Reading books:
Every day :)

PE kit: - burgundy shorts, white t shirt and black pumps

Spelling Test every Friday — don't forget to practice!

Reading books - Remember our expectation is 3 reads a week!

Can you do it?!

KEY INFORMATION

Odd Socks Day: November 13th

Anti-Bullying Week: November 13th– 17th

Further dates:

Please check the school website and newsletter for updates.

Don't forget we are always looking for excuses to put you on Bronze, Silver or Gold!
