

# Year 6 Newsletter

**AUTUMN TERM 2**

**NOVEMBER 2023**

## Welcome Back!

We hope that you've enjoyed your half term holidays and are ready to jump back into learning!

## Your Year 6 Team:

Mrs Barrett, Miss Jones, Ms Thomason, and Mrs Ryan

This half term we will be focusing our English and Geography studies around the ever-increasing and relevant issue of Plastic Pollution.

In English, we will be writing a letter and creating a mixed-media advert to encourage and persuade large and small companies to contribute to the conservation of our environment by reducing their plastic production or usage.

In Geography, we are going to find out about the wider effects of pollution in general terms and understand what can be done to reduce the impact on the natural world.

**Reading homework remains non-negotiable and should be completed, at the very**

## HOMework

least, three times each week. We have really noticed an improvement in the general reading confidence of the Year 6 children since the start of the academic year—Thank you all for your hard work supporting them on this journey!

**Please make sure you sign their planner and leave us a comment about their reading** - this partnership really helps us to structure your child's learning and identify their areas of need.

Children should have their planners in school with them

**EVERY DAY!**

**Remember if your child reads 7x in a week, they get to put their name in their class's golden envelope, to be in with a chance of winning a prize at the end of term.**

Yr 6 children should be completing maths and English homework each week in their CGP books. This is set on a Friday for completion and handing in on the following Friday.

The cost of replacing lost CGP books is £3 per book.

Remember Friday 3rd November is our Day of the Dead celebration in school, where we will be learning all about the traditions of the Mexican festival, as well as practising our Spanish language skills. Children are encouraged to come in Day of the Dead fancy dress.

Our current prefects are also doing a fantastic job. At the end of this half-term, and ready for coming back after Christmas, we will be allocating more prefects.

## KEY INFORMATION
