Headteacher Comment

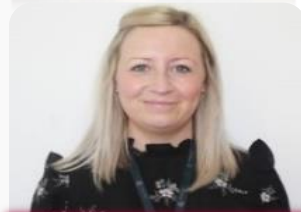

On Friday 2nd February we will be celebrating Times Table Rockstars by dressing up as musicians. We will use the day to promote maths throughout the school. Children will complete maths challenges and activities. It will also be used to remind children about accessing their Times Tables Rock Stars accounts and practising at home. Times Tables Rock Stars is a fun, online learning platform which helps children to recall their times tables at speed. It adapts according to the child's level of ability. Children who access Times Table Rock Stars demonstrate improved fluency and recall in both multiplication and division. They also show increased confidence during maths lessons. Please actively support your child in accessing TTRS on devices at home. Log-in details are in their planners. If you cannot find your child's log-in details then please don't hesitate to contact the class teacher.

New enrichment clubs started last week and will conclude at the end of the half term. A reminder to parents that clubs run half termly so new ones start after each holiday and finish when we break up. The timetable changes after each school holiday. All clubs must be booked through MCAS when they are released.

Thank you.

WELL DONE TO THIS

WEEKS ATTENDANCE WINNERS

KS2 – 6CB

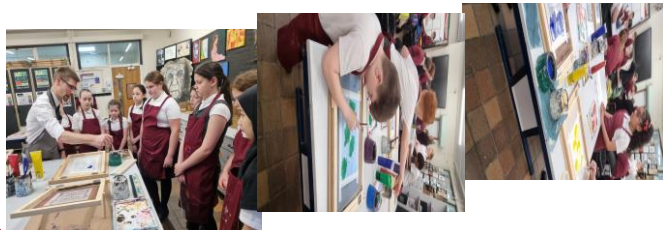

KS1 – 2SW

EYFS – REC

Last Friday, Year 6 had the opportunity to use the screen printing facilities at Broadoak school as part of their Art and Design Unit about patterns. They based this work upon Victorian artist William Morris, who was well-known for his bold, colourful printed wallpaper based upon motifs of nature.

The children all worked really well and created some beautiful piece of art work which we are going to display outside our classroom. Huge thanks to Mr Bate at Broadoak for facilitating this.

Year 5 have been making their own money wallets in DT. They have thought about things such as size, colour, durability and have learnt how to sew using running stitch, whip stitch and back stitching. The overall outcome of the designs have been very good and the children enjoyed learning about different designers and existing designs.

Value of the week!

Challenge: Can you demonstrate this week's school value together at home?

Respect: Due regard for the feelings, wishes or rights of others.

Have you used your manners?

- Have you considered the feelings of someone else?
- Have you listened carefully to someone when they were speaking?
- Did you follow an instruction from someone the first time?
- Did you introduce yourself to someone new? Did you shake hands or greet them with a smile?

We would love to see any photos of you showing this value at home so, we could share them in school!

Upcoming School Events

25th January – EYFS Space Workshop

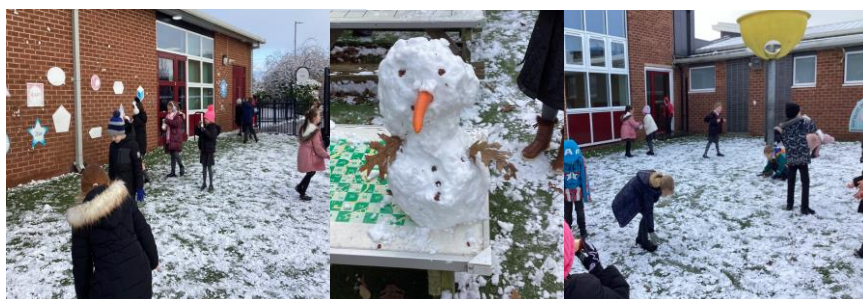

26th January – Y5 St Mary's Church Visit

2nd February – Times Tables Rockstar's Day

6th February – Y6 WW1 Workshop

7th February – EYFS Phonics Stay and Play

The children in KS1 had a great playtime and lunchtime on Tuesday when it snowed. There were lots of children making snowballs, playing games in the snow and some children even helped Mrs Wright to build a snowman!!
