Introduction

Partington Central Academy has clear expectations of excellent behaviour and has in place both positive reinforcement practices and clearly established procedures for dealing with incidents of unacceptable behaviour when it arises. As a school, we believe in certainty of sanction rather than necessarily severity of sanction and that descriptive verbal praise is a powerful way of developing a happy and purposeful school.

The Partington Central Academy (PCA) approach is rooted in its core values 'Believe, Achieve, succeed' and its commitment to providing pupils with a comprehensive education that encompasses both academic excellence and social development. Pupils are encouraged to cultivate self-discipline and make responsible choices, equipping them with the necessary skills and knowledge to succeed both inside and outside the classroom.

Maintaining consistently high expectations for behaviour and conduct is a key aspect of the school's ethos. Through effective practices and routines, Partington Central Academy creates a calm and focused learning environment that supports pupil growth. Additionally, a clear framework of learning habits is in place to guide pupils in developing positive behaviour habits.

Leadership within the Trust collaborates closely to ensure a shared understanding of the reasonableness and proportionality of disciplinary measures. This collaborative approach ensures that sanctions are fair and appropriate across all schools within the Trust, promoting consistency and fairness.

We focus on developing and promoting positive attitudes and behaviours through quality first teaching, a stimulating learning environment and a culture of praise, recognition and self-discipline. All combine lead to a positive school culture, a great climate for learning and true inclusion. Our expected standards of behaviour are clearly communicated to pupils, staff and parents; this is the 'Partington Central Academy Way'.

Principles and Purpose

The primary purpose of the Behaviour and Attitudes Policy is be very explicit in how we operate as a school, it is everyone's collective and equal responsibility to foster the behaviour culture we desire for the school and which pupils deserve. All staff are expected to take collective and deliberate action to know and live out 'the Partington Central Academy Way'.

The school will empower all pupils develop excellent learning habits they will need to be successful in school that enables pupils to develop socially, emotionally, and academically and thrive as a citizen of the world.

Our objectives include:

- Fostering a positive school culture based on the code of conduct; Ready, Respectful, Responsible.
- Explicitly teaching good behaviour and overcommunicating expectations for pupil conduct and behaviour.
- Implementing consistent and fair systems for managing behaviour.
- Embedding routines that support a positive behaviour culture, reduces cognitive load and support the facilitation of creating social norms that cultivate a positive behaviour culture.
- Provide appropriate support and interventions for pupils with special educational needs and/or disabilities.
- Preventing and addressing incidents of bullying, abuse, and discrimination.
- Promoting professional development and training opportunities for staff to effectively manage behaviour.
- Ensuring smooth transitions for pupils entering or re-entering the school.
- Establishing clear guidelines on prohibited items.

The policy sets out measures, which, in accordance with the 2010 Equalities Act and Section 89 of the Education and Inspections Act 2006, and relevant statutory guidance.

Leadership and Management

In order to create a positive school culture, time is dedicated to nurturing a culture of high expectations and positivity. This commitment is essential in maintaining good order and discipline, enabling our pupils to reach their full potential. While we strive to create an environment where pupils make the right choices, we acknowledge that mistakes can happen. In such instances, we are prepared to respond in a fair and proportionate manner.

Engagement of Governors/Trustees

The Governing Body is responsible for ensuring that the behaviour policy is effectively pursued at the school and the principles stated above are reviewed annually. It will ensure that the policy is communicated clearly to the staff, pupils, parents and carers.

The Governing Body will support the school in maintaining high standards of behaviour and ensure that the behaviour policy has reasonable expectations and is non-discriminatory in line with the legal responsibilities of the Equality Act 2010 and the Race Relations Act 2000.

The Headteacher

The Headteacher will ensure that effective measures are taken to support the principles laid out by the Governing Body, and will determine an acceptable standard of behaviour of all pupils. The Headteacher is responsible for the implementation and application of the policy and procedures, the provision of support for vulnerable pupils, and support for staff when faced with challenging behaviour. The Headteacher will also ensure that when dealing with behaviour issues, staff must always be mindful that behaviour issues presented by a pupil could be as a result of a safeguarding concern. In such cases, consideration would be given when deciding on an outcome or sanction for the behaviour displayed.

Designated Staff and Leaders

Staff, including teachers, support staff, and volunteers, must adhere to the school's policy and procedures in a fair and consistent manner, without discrimination. Staff are responsible for creating a positive learning environment that fosters self-discipline and personal responsibility.

Staff should model the expected pupil behaviour and make reference to the code of conduct, shared language and behaviour scripts provided by the school.

Mutual support among colleagues is important to maintain consistency and high standards throughout the school. Staff will participate in a comprehensive and augmented CPD program that will improve their practice in relation to behaviour leadership.

Staff are encouraged to seek support from their Headteacher, behaviour lead or with more complex pupils SLT when facing challenges with implementing the Behaviour Policy.

The role of Pupils

Each classroom has a set of rules displayed, agreed with the children, which are referred to regularly (Class Charter). This is an agreement between staff and pupils regarding rules and expectations for children in their class. Staff will consistently promote the school values alongside these rules.

- Personal possessions must not be brought to school unless requested by the class teacher.
- Children must not be in the school building at playtime or lunchtime unless supervised.
- No jewellery is permitted in school. Children must wear the school uniform.

THE DEAN TRUST

Partington Central Academy

- No child is allowed to leave the school premises during school hours unless notification is given from an adult and children are accompanied by an adult when leaving the premises. Adults must collect their child at the main office.

All pupils must follow the Relentless Routines for entering and leaving classrooms:

- Pupils enter the classroom as they are greeted by the teacher, this is in line with the Ready to Learn and Ready to Move on Routine.
- All pupils hang their coats and bags in their cloakrooms, enter the class room sensibly and sit in their designated seats. Planners must be placed upon their desks or in the designated places within their classes.
- All pupils must complete the 'Do Now' activity as soon as they are Ready to Learn, while the teacher takes the register.

Walking around the school:

- Follow instructions from any staff member first time, without comment.
- Move to classrooms directly and promptly on the sound of the whistle at the end of break and lunch.
- Walk on the left-hand side of the school building.
- Keep quiet on corridors, being mindful not to shout or disrupt the learning of others.
- Keep the school and the outdoor area clean and tidy, and not to leave rubbish behind for others to tidy up.

Behaviour Procedures

The school's procedures arising from the policy are intended to foster a culture of self-discipline and personal responsibility for behaviour. We know that pupils make mistakes and recognise that this is part of growing up. We understand that pupils can witness or be lured into anti-social behaviour outside school. We have procedures in place which regulate the conduct of pupils.

We believe that a strong partnership forged between parents and teachers can overcome most behavioural problems, and that standards of behaviour in school are exactly those that are expected from parents and carers in their homes. We expect decisions in school to receive full parental support.

The Partington Central Academy Way: School Systems and Social Norms

School Routines

Establishing consistent and structured school routines is essential for creating a positive and orderly learning environment. Routines are an essential part of 'the Partington Central Academy way', we employ them to:

- Communicate the high expectations we have for the learning, behaviour and attitudes of all pupils.
- Create the conditions to allow all pupils to thrive.
- Habituate the habits for success.
- Create predictable and structured environments, leading to better behaviour.

At Partington Central Academy we don't just tell pupils what to do, we actively teach the routines;

1. **Design:** we will decide exactly how the routine should look. This will involve scripting the routines, the creation of instructional videos and staff practising the routines.
2. **Describe:** we communicate to pupils the importance of routines and we explicitly communicate in detail the behavioural expectations for each routine.

3. **Demonstrate:** we model the routines to pupils to show them what the routines should look like.
4. **Demand:** we insist on pupils practising the routines until they are executed perfectly and we remind them constantly through positive or corrective interventions.
5. **Disengage:** We constantly repeat the process until it is habitual.

Defining Good Behaviour

Good behaviour at Partington Central Academy is far more than the absence of poor behaviour. It is the habituation of 'the Partington Central Academy way'. At Partington Central Academy we believe in explicitly teaching and reinforcing positive behaviour.

Excellent Behaviour	Poor Behaviour
The pupil has habituated the 'FGA Way' and follows all routines and expectations. The pupils' habits give them the best chance of scaling their personal mountain and thriving as a citizen of the world.	The pupil has habituated bad habits and regularly fails to follow routines and expectations. The pupils' habits are preventing them from scaling their personal mountain and thriving as a citizen of the world.

Ready, Respectful, and Responsible are the core behavioural expectations at The Dean Trust and underpin the Code of Conduct. These principles guide pupils in their actions and attitudes to create a positive and safe learning environment.

If pupils successfully adopt our practices and habituate 'the FGA way' the following behaviours would be visible:

	Excellent Behaviour (Closely aligned with the desired culture)	Poor Behaviour (Misaligned with the desired culture)
RESPECTFUL <ul style="list-style-type: none">• to themselves• to others• of the environment	The pupil habitually: <ul style="list-style-type: none">• treats other with respect.• interacts positively with others, using good manners, and appropriate language and tone.• listens to the views of others and accepts their right to an opinion.• follows all school routines, including moving around the school in a safe and calm manner.• follows all instructions first time, every time.• looks after the school site, displays and equipment.	The pupil frequently: <ul style="list-style-type: none">• treats others with a lack of respect.• interacts negatively with others, often showing poor manners and inappropriate language and tone.• fails to listen to the views of others and/or denies their right to an opinion.• fails to follow school routines, including when moving around the school site.• fails to follow all instructions at the first time of asking.• fails to look after the school site, displays and equipment.

RESPONSIBLE: <ul style="list-style-type: none">• for your behaviour• for your learning• for your appearance	The pupil habitually: <ul style="list-style-type: none">• accepts responsibility for their behaviour, including what they say and do.• does the right thing, even when it isn't the easiest thing.• refrains from physical contact.• behaves in a safe manner, including to and from school and when online.• reports any concerns or problems to an adult within school.	The pupil frequently: <ul style="list-style-type: none">• does not accept responsibility for their behaviour, including what they say and do.• does not do the right thing, especially when it is the easiest thing.• touches other pupils.• behaves in a way that is unsafe, including on the way to and from school and when online.• does not report concerns or problems to an adult in school.

Rewards and Sanctions

Consequences- both sanctions and rewards- play an important role in building and maintaining a positive culture. Most people need reminding those actions have consequences and the use of extrinsic consequences helps to remind pupils of our social norms. Consequences are feedback to pupils on their behaviour. Consequences remind pupils that their behaviour *matters* because *they* matter

Acknowledging Good Behaviour

Rewards can be a very useful motivator and should be a part of every teacher's toolkit - used properly rewards can help to encourage better habits.

At Partington Central Academy we recognise and celebrate when individuals live out our values and contribute to a culture of kindness.

HOW: At Partington Central Academy we use the following factors to ensure rewards are used effectively:

1. **Praise in public:** When you reward a pupil for doing something, you do so in a community and what is rewarded gets noticed.
2. **Specificity:** Pupils are more motivated by rewards as incentives when they are capable of understanding that reward is connected to the behaviour.
3. **Motivating:** Providing pupils with rewards (extrinsic motivation) to help them experience success and build up intrinsic motivation over time.
4. **Authentic:** To be effective, praise must be sincere, deserved and proportionate
5. **Avoiding common pitfalls:** overuse of rewards can condition pupils to expect rewards for doing what should be expected; pupils can become desensitised to rewards and stop valuing them; ineffective use of rewards can normalise mediocrity.
6. **Shared Language:** Every behaviour intervention, positive or corrective, should be punctuated with READY, RESPECTFUL and or/ RESPONSIBLE?

Reward & Recognition Practices at Partington Central Academy:

Practice	Details
Praise	<ul style="list-style-type: none"> Provide pupils with praise in public that is: sincere, proportionate and punctuated with ready, respectful and/or responsible.
Positive points	<ul style="list-style-type: none"> Praise might be accompanied with a positive point when teachers observe 'excellent behaviour'. The awarding of positive points is awarded for certain events e.g., 100% attendance in a week, attendance at enrichment etc. Positive points should be recorded on Bromcom and parents will receive a notification on MCAS.
Praise Postcards	<ul style="list-style-type: none"> The awarding of praise postcards is automated when pupils achieve a certain number of positive points.
Academic Award	<ul style="list-style-type: none"> Each week a teacher awards an Academic award to a pupil who has demonstrated excellent behaviour and attitude to learning. This is presented within a celebration 'merit' assembly.

Value of the week	<ul style="list-style-type: none">Each week a teacher awards 'value of the week' to a pupil who has demonstrated excellent examples of the school value for that week.
Golden child of the week.	<ul style="list-style-type: none">Each week a teacher awards a child who has demonstrated all of our school values and has gone above and beyond in an element of school life.
Going for Gold.	<ul style="list-style-type: none">Children work their way up the Going for Gold ladder, for consistently having a positive attitude to learning, following instructions and working cooperatively or independently etc.

My name will go in the Golden Book. I will get 3 dojos and a praise slip sent home. 3 or more Golds in a term = a Golden Reward.	Gold	Going above and beyond and demonstrating all of our values. <u>Straight to Gold Reasons.:</u> Completing extra work/achievements outside of school. Being the Golden Child of the Week for displaying all of our school Values.
I will get 2 dojos and a note home to celebrate	Silver	I am working well within a team. I am being kind and considerate to others at all times. I am working extra hard.
I will get a sticker and a class dojo.	Bronze	I am trying really hard. I am completing tasks. I am following the class/school rules at all times.
All children start each day on white.	White	I am ready to learn.

Correcting Poor Behaviour

When correcting a behaviour staff must use the strategies from the behaviour toolkit; RIP/PIP, counter intuitive responses, diverters and diffusers and 'take up time' as outlined in the staff playbook. Staff must make reference to the Code of Conduct, punctuated with Ready, Respectful and Responsible.

Partington Central Academy recognises the importance of providing a personalised approach to supporting pupils with additional needs within behaviour policy. The school aims to create an inclusive and supportive environment that caters to the diverse needs of all pupils. In some cases, reasonable adjustments will be made for pupils with SEND and SEMH that aligns with the school's approach to true inclusion.

Chance, Choice, Consequence, and Remove

When dealing with unacceptable behaviour, staff should remain calm and assertive, avoiding confrontation or shouting and use the 'Chance, Choice, Consequence' framework as a way of correcting pupil behaviour. Staff have three options when issuing a consequence.

- **Green:** verbal warning and reminder of the rules.
- **Amber:** miss 5 minutes of playtime or lunch time.
- **Red:** miss playtime/ lunchtime.

All children start each day on white.	White	I am ready to learn.
I will get a verbal warning and be reminded of our rules.	Green CHANCE	I am stopping myself and my peers from working.
I will miss 5 minutes of my playtime.	Amber CHOICE	I have not followed instructions. I have not told the truth. I have been rude to an adult.
My name will be recorded in the behaviour book. My teacher will speak to my parent/carer. 1 Red= I will be sent to a member of SLT for my phase. 2 Reds= I will work with a member of SLT for my phase.	Red CONSEQUENCE	I have refused an adult. I have used swear words or inappropriate language. I have purposely hurt my peers.

We believe in providing pupils with opportunities to make choices and understand the consequences of their actions. The chance-choice-consequence framework helps pupils develop responsible decision-making skills and take ownership of their behaviour. In certain cases, when behaviour significantly disrupts the learning environment, the school may implement temporary removal strategies in accordance with our policy.

Alternative Behaviour System for Extreme Behaviour

Step 1	Report the pupil to the Behaviour Leader. Evidence of repeated red warning behaviour on CPOMS. Alert parents/carers of this referral.
Step 2	Behaviour Leader will see child as soon as possible. Agree with child acceptable and unacceptable behaviours, a set of rewards and consequences specific to that child and how it will be monitored.
Step 3	The pupil will be given one week to improve their behaviour. If so, the pupil will return back to the main stream behaviour system.
Step 4	If behaviour has not improved, SLT will meet and agree a next step appropriate to the child's behaviour. This could be an alternative reporting system, support from an outside agency etc. Information will be communicated with the parent/carer about the expectations and re: any further behavioural incidents.
Step 5	After a week the report will be analysed by the Behaviour Leader and SLT to decide if significant improvements have been made.
Step 6	If behaviour has not improved after 2 weeks, then a parent meeting will take place with a member of SLT and parents/carers. This will be a pre-suspension meeting. Behaviour expectations will be clearly set and consequences of continued poor behaviour.
Step 7	A formal suspension by the Headteacher.

Code of Conduct

The school's Code of Conduct is foundation of the behaviour system which is visible across the school. Staff use the Code of Conduct to remind pupils of their responsibility towards contributing to a positive school ethos and ensuring good behaviour.

As a school we expect pupils to adhere to the following standards:

You are respectful:

- to yourself
- to others
- of your environment

You are ready:

- to learn
- to embrace opportunity
- to be the best you can be

You are responsible:

- for your behaviour
- for your learning
- for your appearance

Anti-Bullying (in conjunction with school's anti bullying policy)

At Partington Central Academy, every pupil has the right to learn, and feel safe in school. The school will take a strong stance and has zero tolerance for all forms of bullying, including name-calling and prejudicial behaviour. The schools anti-bullying measures align with the Equality Act 2010.

The Definition of Bullying

The repetitive, intentional hurting of one person or group of people by another person or group of people, where the relationship involves an imbalance of power. Bullying can be physical, verbal or psychological. It can happen face-to-face or online'. Please refer to the Anti-Bullying Policy and Dean Trust Cyber-Bullying Policy for more information.

Examples of Bullying:

Physical – hitting, pinching, biting, pushing, shoving, taking, intentionally tripping up someone or damaging belongings and stealing money.

Cyber-bullying - sending abusive text messages or emails to someone or a group, posting abusive messages, spreading rumours or making threats on social network sites, posting pictures or information about someone on the internet to promote hatred and isolation and to humiliate and hurt.

Verbal: Name-calling, insults, racist or sexist remarks, mocking, teasing, intimidation, threats, or demands for money.

Indirect: Spreading rumours, offensive graffiti, isolating or excluding someone, making them feel uncomfortable or unwanted.

Sexual harassment and abuse: Unwanted sexual behaviour that violates a person's dignity, making them feel intimidated, degraded, or humiliated.

Bystanders who collude with bullying face the same consequences as the main perpetrator.

We are committed to maintaining a safe and inclusive environment, free from bullying, harassment, and discrimination.

Internal Exclusion

In cases of serious disruption, pupils may be withdrawn from a lesson and placed in another classroom for a 20-minute period. This is known as an internal exclusion. This will give the pupil the opportunity to regulate their behaviour.

The withdrawal varies based on discussion with a senior leadership team member.

Withdrawal from lesson may occur for investigative purposes, preventive measures, or health and safety reasons, and it is not recorded as a sanction.

Suspension

Suspending a pupil from school, temporarily or permanently, is a serious decision that is not taken lightly. Alternatives are considered before resorting to exclusion.

Fixed Term Suspension

THE DEAN TRUST

Partington Central Academy

Pupils who blatantly violate the school's Code of Conduct may be temporarily suspended if Internal Suspension is insufficient. This applies to incidents such as:

- persistent disruptive behaviour
- refusal to cooperate
- dangerous behaviour
- verbal abuse or threats towards staff
- assault on a pupil, intentional damage to school property
- aggressive behaviour in the community
- failure to complete Internal exclusion
- bringing prohibited items to school
- These examples are not exhaustive

Repeated serious behaviour will lead to a governors' disciplinary panel meeting to consider the pupil's future at the school.

Permanent Exclusion

Permanent exclusion may occur in a one-off serious incident, or in the case of persistent disruptive behaviour where the school feels unable to provide further support or when allowing a pupil to remain would seriously harm their own or others' education or welfare, regardless of their previous behaviour record.

Use of Reasonable Force

In exceptional circumstances, when necessary to protect pupils or staff from harm, the use of reasonable force may be employed. We adhere to legal requirements and guidelines to ensure that any use of force is proportionate and in line with our duty of care.

Prohibited Items

To maintain a safe and secure learning environment, certain items are strictly prohibited. Pupils suspected of bringing in any item in the 'prohibited' items list below may be searched without consent, including their belongings, by the Headteacher or other staff who are authorised to do so:

- weapons and knives
- alcohol
- illegal drugs
- drug-related paraphernalia
- stolen items
- tobacco, cigarette papers and e-cigarettes
- fire lighting equipment
- fireworks or explosives of any kind
- pornographic images
- any article that has been or is likely to be used to commit an offence, cause personal injury or damage to property.
- any item listed under 'banned items' in the school rules and which specify they may be searched for.

The school does not need formal written consent from pupils or parents when searching for banned items under the school rules.

Pupils suspected of bringing in any other banned item, such as those listed below may be searched (only with the pupil's consent), by a member of staff

Other banned items at Partington Central Academy:

- any form of liquid-based correction fluid. Note: pupils may use correction tape and correction tape devices
- laser pens or LED torches chewing gum
- cans, energy drinks or fizzy drinks
- confectionery (crisps and chocolate bar only as part of lunch pack)
- any aerosol (other than essential medication) Note: pupils should use non- aerosol deodorant
- metal pronged combs
- cameras and mobile or other electronic devices: the school reserves the right to confiscate cameras or mobile phones and to delete any unauthorised pictures or video recordings, of pupils or staff or malicious communications. These items can be searched for without consent. (Education and Inspections Act 2006)

Authorised staff who can conduct a search for school banned items with consent from pupils may ask pupils if they can hand over their bag or outer clothing, or to turn out their pockets or empty their own bags.

Community Work

Pupils who vandalise or damage school property will face sanctions, including assigned tasks such as picking up litter, cleaning tables in the dining hall, tidying classrooms, or removing graffiti. In certain cases, parents may be asked to cover the costs of the damage caused

Malicious Allegations Against Staff

Malicious accusations against members of staff are taken very seriously. Where pupils are found to have made malicious accusations against a member of staff which, following investigation are proved to be unfounded, the school may suspend the pupils concerned. Depending on the severity of the accusation and the level of distress caused to the member of staff, this exclusion may be permanent

Mobile Phones and Electronic Devices

At Partington Central Academy mobile phones are banned from the school site. 'Banned' means that they should not be brought to school for any reason.

Interrelationship with other school policies

In order for the behaviour policy to be effective clear, links with other school policies, such as Safeguarding and Child Protection, Anti-Bullying, Acceptable Use and SEND policies have been established.

Review

In consultation with staff, this policy and its procedures are regularly reviewed and updated in conjunction with statutory requirements and DfE guidance. The behaviour policy is published to parents annually.
