

## PE Statement of Intent

*“Ask not what your team mates can do for you. Ask what you can do for your team mates”. Magic Johnson*

PE is a subject in which pupils have the opportunity to experience a diverse range of physical activities. It promotes wellbeing, a healthy heart and a healthy mind, allowing pupils to experience successes and failures in a competitive sport as well as building resilience. Children have chances to collaborate and work in teams whilst having fun and positively engaging with their peers. Our PE curriculum aims to develop a well-rounded individual who understand the importance of physical activity and a healthy lifestyle. We aim to promote the values of teamwork, self-belief, respect, passion, honesty and determination through inclusion.
