

Year 4 Newsletter

Spring 2

February 2024

Hello and welcome back to Year 4!

Mrs Wilde and Mr Fox, supported by Mrs McRae and Miss Fedawi
The school doors open at 8:35am, with the children ready for a 8:45am start.

This half-term we are continuing to focus lots of our work on Egypt.

In History we will investigate the Ancient Egyptian way of life and customs. We will look at the importance of the River Nile and complete our own research.

In geography we will be exploring the similarities and differences between the UK and Egypt today. We will look closely at Cairo and London and de-

side why people choose to live there. Where would you choose to live?

Meanwhile in English we will be studying the book *The Lost Thing* by Shaun Tan and looking at re-counts.

In science we will be looking at humans and other animals and finding out all about the human digestive system—even the grossest elements!

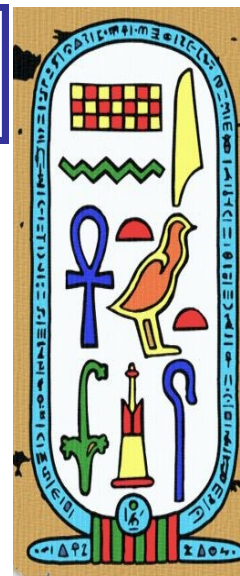

In Art, we will focus on printing and Egyptian foil art.

In PE we will learn more about net and wall games

(badminton) and invasion games. Please remember to make sure you remember your kits on the right day.

We are still aiming to have books bags in every day and to be reading for pleasure so please make sure reading records come in and are signed!

Finally, you are all remembering lots more of your times table facts, so keep working on those games to get as high as you can; we would love to have more Rock Legends and Rock Heroes walking amongst us!

Things to remember

Homework:

Given out: Monday

Due in: Friday

PE

4CW—Tuesday and Wednesday

4AF—Tuesday and Thursday
