

# Year 6 Newsletter

**SPRING TERM 2**

**February 2024**

## Your Year 6 Team:

Mrs Barrett , Miss Jones, Ms Thomason & Mrs Ryan

This term, we will be exploring our narrative topic in English, based on a short film called Alma. We will be using some of the features we identified in poetry to improve our writing. Some pupils are beginning to draw upon vocabulary that they have read in books and this is evident in their writing. Again, this is evident in proving the link between reading and writing. As being beneficial.

Please continue to ensure that your child completes their reading homework and that you sign their planner each week. It is vital that all children read, not just for pleasure, but to access new vocabulary and worldly knowledge.

In maths, we continue to look at fractions, decimals and percentages.

The maths homework that we send home is directly linked to what we are doing in class.

Our Science topic this term continues to be Evolution and inheritance.

In our PE lessons, we will begin net and ball games.

Please ensure that your child brings in their full PE kit on

Mondays and Thursdays.

As we move closer to the SATs in May, we thank you in advance for your support in ensuring that your child gets a good night's sleep every night, a suitable breakfast and completes their homework on time, which consists of reading at least 3x per week, learning spellings and the

English and maths homework from the CGP books.

To further support your children, we now have a subscription to **maths.co.uk** and **spag.com**. These sites are designed to allow pupils to practise SATs style questioning based on the content they have been taught. The logins for these sites are in your child's planner and therefore can be accessed at home for further revision.

**SATs week is 13th-17th May 2024.**

Please ensure your child is in school and on time during this period.

## KEY INFORMATION
